VANCOUVER, BC (June 6, 2013)

ANGKOR GOLD CORP. (TSXV: ANK) (“ANGKOR”) Angkor is pleased to announce that it has granted an aggregate of 150,000 incentive stock options under its stock option plan to our new director Bob Neill. Bob brings to Angkor his strategic thinking and important lessons learned from the development of the mining industry in Colombia.

Each option, vesting immediately upon grant, entitles the holder thereof to purchase one Common Share in the capital of Angkor for a period of two years at a price of \$0.41 per share, representing an exercise price that is 10% above Angkor’s last closing price.

The stock options are not transferrable. The common shares issued upon exercise of the stock options will be subject to a four month resale restriction from the date of grant.

On June 6, 2013, the last day that the Company's common shares traded prior to the granting of the stock options, the closing trading price of the common shares on the TSX Venture Exchange was \$0.375.
