

## **RSL MEDIA STATEMENT 15 December 2016**

On Tuesday, the RSL National Board released the initial findings and recommendations of the forensic investigation undertaken by KordaMentha into RSL NSW.

The NSW Minister for Veterans Affairs, David Elliott has reviewed the initial findings and referred some of the concerns raised in the report to the NSW Fair Trading Minister and Attorney-General for further examination.

“The RSL National Board supports Minister Elliott’s attention in resolving these matters. We are conscious of the NSW Governments actions and will work in conjunction with the Government and the RSL NSW state office in dealing with the investigation to resolve the issues,” said Acting National President Mr Robert Dick.

“The RSL National Board will continue to support Minister Elliott and the other agencies as they pursue their own independent investigations.
