Naturally Clean

Waterless hand cleaner without grit

A powerful hand cleaner formulated with d-Limonene to safely dissolve and remove heavy soils from skin. While the d-Limonene reaches deep down into your skin's pores to remove ground-in dirt and grease, special emollients and lanolin are added to prevent hands from becoming red and chapped. An easy and convenient way to keep hands clean, especially when water isn't available because no rinsing is required.
