ALLISON PARK, Pa. — The next installment of America's Best Cleaners (ABC) Leadership Forums will take place Nov. 11 at 4 p.m. EST. The one-hour Zoom webinar, the third in a series of six, will continue a discussion with drycleaning industry leaders about their philosophy and experiences guiding their companies through these trying times.

The need for leadership is never as great as when a company faces stiff challenges, especially when those challenges come from outside forces beyond their control, says ABC. The Leadership Forum is designed to provide ideas and encouragement to those who are leading their own teams through these trials.

Panelists for the November event will include Tim Maxwell, president of GreenEarth Cleaning; Michael Harris, owner of Oceanside Cleaners; Wayne Wudyka, CEO of The Huntington Company; Habib Veera, president of Door to Door Valet Cleaners; and Ryan Luetzow, owner of Luetzow Industries.

The final three events, all to take place on Wednesdays, are scheduled for Dec. 9; Jan. 13, 2021; and Feb. 10, 2021.

For more information or to save a seat for the free presentation, watch videos of the previous forums, or to inquire about being a panelist for an upcoming forum, visit the Leadership Forum's webpage.
