

AMERICA'S BEST CLEANERS™

As Seen In

AMERICAN drycleaner

December 02, 2020

ALLISON PARK, Pa. — The fourth installment of six Leadership Forums, sponsored by America's Best Cleaners (ABC), is scheduled for Dec. 9 at 4 p.m. EST. This free webinar, which takes place via Zoom, is designed to give those in the cleaning industry an opportunity to hear the outlooks and opinions of leaders in the field as they share how they've faced the challenges created by the pandemic.

In addition to actionable information presented in the webinars, ABC has worked to bring leaders from various facets of cleaning to give a "holistic" view of the state of the industry. Each part of the industry affects the others, and the lessons learned in one area can often be applied in another.

Panelists for the November event will include Mary Scalco, CEO of the Drycleaners & Laundry Institute (DLI); Tom Stites, sales manager of Unipress; Catherine McCann, CEO of Best Cleaners NY and partner in America's Best Cleaners; James Peuster, owner of The RoutePros; and Tony Stephens, CEO of Tower Cleaners.

The final two events, both to take place on Wednesdays, are scheduled for Jan. 13, 2021, and Feb. 10, 2021.

For more information or to save a seat for the free presentation, watch videos of the previous forums, or to inquire about being a panelist for an upcoming forum, visit the Leadership Forum's webpage.
