  - Female: 50.7%  |  Male: 49.15%  |  Transgender: 0.15%

### Housing

Acacia Network's housing portfolio includes 4,000+ units of affordable and supportive housing, as well as 130 additional units of permanent housing for formerly homeless families & individuals:

- **Affordable Housing Units:** 3,316 units*
- **Supportive Housing:** 728 units*
- **Permanent Housing for Formerly Homeless:** 130 units

**Total Units: 4,174**

*Includes 40 units of Supportive Housing and 31 units of Affordable Housing in Upstate New York.

### NEW: COVID-19 Isolation Shelters

As the largest shelter provider in New York City, Acacia Network has been contracted to operate two (2) COVID-19 Isolation Shelters, serving:

- **275 Adult Individuals** who are COVID-19 Symptomatic
- **206 Male Seniors (over age 70)** who are NOT symptomatic

### Facilities Management

In response to the COVID-19 crisis, Acacia Network has implemented significant changes in our Facilities Management protocols, including our cleaning guidelines. We have shifted focus in order to ensure primarily that proper cleaning & sanitizing guidelines are being followed, and to receiving, monitoring, and distributing supplies, including Personal Protective Equipment (PPE). To date, a total of 1,974 N-95 masks and 5,824 Surgical Masks have been distributed among our sites.

### Workforce Development

Seedco’s Workforce and Benefits Access Services have reached over 750 individuals and helped more than 500 individual households & families through:

- Case Management Sessions: 1,232
- Workshops Conducted: 19
- Connections to Employment: 92
- Screened for benefits: 316
- Enrolled in Benefits: 187
- Individuals receiving additional services: 68

### Arts, Culture & Wellness

Acacia Network and its affiliate, Loisaida Inc., have created Virtual Wellness initiatives for staff members & clients as a way to nurture their social-emotional wellbeing. Additionally, our Loisaida team launched a web series underscoring the importance of counting the Hispanic population in the Census, and piloted the Loisaida Virtual Arts Program for families and staff in partnership with ANHI sites:

- Fitness and Relaxation Workshops for staff members
- Virtual Art Workshops for Families in our shelters
- Census Outreach Webseries en Español!
