

GOOD AND BAD FRUIT

In the GOOD FRUIT, write out good things that God asks us to do, in the BAD FRUIT on the ground, write out those things we do that are not following God

IT'S YOUR TURN:

- ① talk with your child about good fruits that they bear, or talk about a scenario when it's hard
- ② Be creative. Create a tree to hang up and add "fruit" to it when you notice your child do something good
- ③ Pray together. Pray about how you can grow good fruit and ask the Holy Spirit to help you clean out bad fruit
