

DECODE: CAPACITY BUILDING ASSESSMENT TOOL

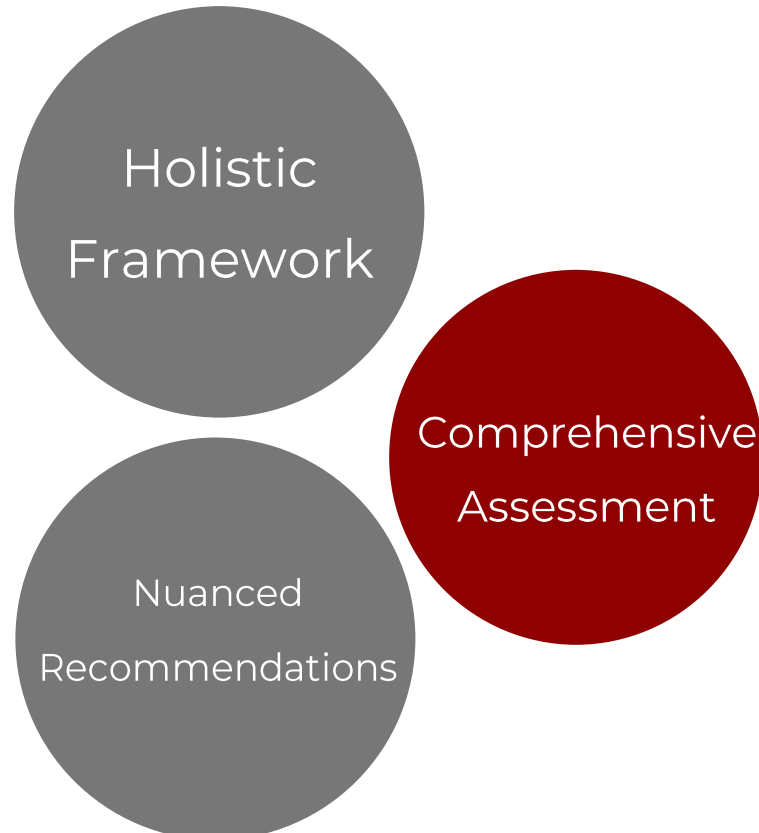

A TECH ENABLED ORGANISATION DIAGNOSTIC & CAPACITY BUILDING TOOL

DECODE

Powered by Social Lens

Social Lens offers a subscription-based web platform to be accessed by Impact Investors and NPOs for a holistic evaluation of organisational needs to draw insights and solve capacity building requirements for organisational strengthening and development.

The platform conducts an organizational capacity deep-dive analysis through a senior management-targeted questionnaire across 4 key organizational domains:

Systems, Processes & Technology

Strategy & Leadership

Finance & Sustainability

Human Resources & Practices
