

When should I get tested for COVID-19?

You should get tested for COVID-19 if you...

1) Are exhibiting symptoms of COVID-19:

Fever and/or chills

Cough

Trouble breathing

- Sore throat
- Aches and pains
- Nausea, vomiting, and/or diarrhea
- Loss of smell or taste

2) Have been in close contact (less than 6 feet) or prolonged contact (more than 15 minutes) with someone who has COVID-19. This is likely if:

You are frequently in spaces with crowds or with no social distancing

You are an essential or emergency worker

You care for someone who has COVID-19

ABOUT

This publication was made possible through funding provided by the Access to Justice Foundation and Julian Grace Foundation. All information was curated and verified by Dr. Marina Del Rios, Dr. Pamela Vergara-Rodriguez, Suzanne Martinez, Susana González, and Jeremy Quinones and edited by Steven Arroyo. The contents are solely the responsibility of Illinois Unidos and the Latino Policy Forum.
