Join in the Annual Holiday Food Drive for Our Neighbors in Need

This year, Metro North is inviting other block clubs to engage in “friendly competitions” to see which group could bring in the most donations for three (3) categories in the annual Tremont/Duck Island/Irishtown Bend Holiday Food Drive – of non-perishable food items and paper products along with cash and checks. The ultimate goal is to help food pantries, like St. Augustine, Pilgrim, St. John Cantius, St. Michael, Immanuel Lutheran, St. Malachi, Westside Catholic Center, and Greater Cleveland Food Bank to feed our near west families and children in need in the holiday season. The “Grand Prize Winner” for the 2018/2019 challenge was Metro North – therefore, they are issuing the challenge for the upcoming 2018/2019 season. Last season’s holiday food drive featured the most canned goods, paper products and check donations collected - $10,275 in cash/checks and 2,281 food items!

Here’s How to Donate and the Guidelines for this Season’s Holiday Food Drive:

- **Items Needed:** Canned goods, non-perishable boxed food items, paper products (toilet paper, paper towels, napkins)

  **Counting:** Food and paper products are counted individually – unless they are cellophane wrapped and sold as a set (example a four-pack of paper towels) is counted as one item not four. Canned goods and individually wrapped paper products count as one item each.

  **Cash/Checks:** You may also donate by cash/check if you prefer. Checks must be made out to the food pantry of your choice – however, to count in the competition, for verification purposes, checks must first be delivered to the block club food drive coordinators, or to the Tremont West offices (2406 Professor) – who will deliver them to the respective food pantries.

  **Donations:** Block club members can deliver food/ paper products to their block club food drive coordinators or to the neighborhood donation centers:

  - **Auburn-Lincoln Park:** Jonathan Petrea (jpetrea@gmail.com) and Patti Choby (pchoby@cobafingroupinc.com)
  - **Central Tremont:** Julie Goulis (jgoulis@gmail.com) – and bring to the Holiday Party on Monday, December 2nd at Post 1.
  - **Duck Island:** Philip Major (coachphil@major.com) and Ashley Major (arparset@gmail.com)
  - **Holmden-Buhner-Rowley:** Deliver to Terrapin Coffee & Donuts, 3146 W 14th St, Tuesday – Friday (6:30am-3:00pm), Saturday-Sunday (6:00am-3:00pm)
  - **Irishtown Bend:** Marcy VanderTuig (marcy.vandertuig@gmail.com) and bring to the Holiday Party, Sunday, December 1st, 1pm, Brick & Barrel, 1844 Scranton Road.
  - **Mentor-Castle-Clark:** Deliver to Terrapin Coffee & Donuts, 3146 W 14th St. Tuesday – Friday (6:30am-3:00pm), Saturday-Sunday (8:00am-3:00pm)
  - **Metro North:** Maryann Balog (thegodfather3977@sbci2global.net) and Angela Guy (a1m2guykaz@att.net)
  - **North of Literacy:** Liz Gedeon (agedeodon@gmail.com) or bring to the Holiday Party on Tuesday, December 17th, 6:30pm at Post 1. Donations will also be received in December and early January at Post 1 Polish Veteran’s Alliance, 2234 Professor during regular business hours.
  - **South of Jefferson:** Kate Carden (kalexiscarr@gmail.com) and Tom Toukuri (Pahvni.toukuri@gmail.com) and bring to the Holiday Party, Tuesday, December 10th, 6:30pm, Post 9.

- **Deadline:** For delivery before the holidays, items must be turned in by Friday, December 13th. A second delivery will be made in mid-January, 2019 for items donated after Dec.13th. (NOTE: The Tremont West offices are closed December 24th - January 1st and will reopen on Thursday, January 2nd). Deliveries during that time can only be made to your block club coordinators or donation locations and not to the Tremont West office.

Three competitions this year:

1. **Canned Goods & Non-Perishable Boxed Food Items and Paper Products** - the block club collecting the most items in this category receives a $50 prize donation to their block club treasury/account

2. **Cash and Check Donations (dollar for dollar)** - the block club collecting the most money also receives a $50 pride donation to their block club treasury/account.

3. **Grand Prize Winner** – the block club’s cash & check donations are doubled (ex: $50 turns into 100 items) and canned goods and non-perishable items collected are added (ex: $3,000 in checks/cash becomes 6,000 items + 500 canned goods = 6,500 items) – winning block club in this category receives a prize of a $100 donation to their block club treasury/account.

Most important of all is the goal: lending a helping hand to neighbors – families and children in need in Tremont, Duck Island, and Irishtown Bend - and providing help to support the outstanding work of eight Cleveland food pantries-ministries – St. Augustine Church, Pilgrim Congregational Church UCC, Immanuel Lutheran Church, St. John Cantius Church, St. Michael Church, St. Malachi Church, Greater Cleveland Foodbank, and Westside Catholic Center – who get nutritious food to children and families all year long!

Many thanks to all of you for your incredible kindness and generosity to the food pantries and to our near west Cleveland neighbors in need! We look forward to your continued support and generosity in 2019/2020!

The City of Cleveland announces the Return of the Paint Program!

Mayor Frank G. Jackson announced that the City of Cleveland’s exterior Paint Program will resume. The program is part of the Healthy Homes Interdepartmental Initiative, a citywide effort to improve quality of life through enhancements in housing stock. Legislation for the program was introduced in Aug. 2019: https://bit.ly/2C0lHcE

“The City of Cleveland invites residents to take advantage of our 2020 Exterior Paint Program,” said Mayor Jackson. “Our goal is to help residents leverage these and other city services which can help them fund their home investments, improve housing stock in our neighborhoods and create a better quality of life.”

The Exterior Paint Program provides paint and materials to homeowners who wish to paint the exterior of their homes. Labor is not included. The goal for 2020 is 500 homes with a total allocation of $500,000 for the program.

Homeowners, as well as tenants, who meet income guidelines, are welcome to apply for the program. Funds cover the cost of up to $1,500 for owner occupants or up to $750 for tenants in paint and materials. Inspections of the property must be conducted. Applications must be received by Feb. 28, 2020 and the painting must be completed by Oct. 31, 2020.

The Department of Community Development’s Division of Neighborhood Services administers services on a first-come, first-served basis. Please email thetremontwest.org for an application.

The City of Cleveland is evaluating its current residential tax abatement policy and your voice is needed

The City of Cleveland has chosen to study its current residential tax abatement policy and, if necessary, recommend changes to City Council in 2020. This study is one component of the City of Cleveland’s Equitable Community Development Strategy that aims to cultivate more racially and economically inclusive communities with affordable housing through strategic, citywide policies.

As part of the work, multiple research firms are doing a comprehensive study on the impact of the existing tax policy and analyzing data from developers, community development corporations, and lenders.

The city’s study planning team also wanted to talk with Cleveland neighborhood residents and Neighborhood Connections (NC) are leading that work along with Leverage Point Development.

Through mid-December, NC will be hosting Listening Sessions across Cleveland. During these sessions, residents can learn more about the current residential tax abatement policy, share how it has affected them, and weigh in on what they would like to see moving forward.

If you need to talk with someone regarding the current construction of the Towpath Trail, please contact Darwin Merdes, Area Engineer for Cuyahoga County at 216-348-4073, 216-701-1160 or dm@cuylahogacounty.us.
Cleveland Public Library is seeking input on reimagining its neighborhood libraries.

The Cleveland Public Library system is getting a new look and the community is invited to help reconceptualize their local branches. Starting this month, we are hosting community engagement meetings at West Park, Jefferson, and moving on to each of our 27 branch libraries. The purpose of the meetings is to engage with the public, solicit community input, and learn what each community wants from its library building. The Library will form one steering committee per branch. Those selected members will contribute to the design of their neighborhood branch. If interested, please contact your branch manager for consideration.

In 2017, Cleveland voters approved a levy for more funding for the Cleveland Public Library. As our promise to the community, the Library is using that money to rebuild, renovate and reimagine the spaces at each of its branches. “We are committed to meeting the needs of our patrons and providing them with libraries that are accessible, functional and safe,” said Kathleen Sonnhalter, Capital Projects Manager at Cleveland Public Library. “The community’s input is vital to the success of each project. We want this next step in the design process to be collaborative to achieve optimal results.”

The discussions will consider branch improvements and will allow community members to share their ideas, views, opinions, and concerns with staff and others. The schedule is as follows:

- **Jefferson Branch:**
  - Tuesday, Dec. 3 from 5pm – 6:30pm
  - Friday, Dec. 13 from 4pm – 5:30pm

In November, members met with 2nd District Officers Vic Nan and Eric Thompson. They advised residents and visitors to Tremont to be vigilant during the holidays. They asked residents to report suspicious activity, help members to pull suspicious evidence from security cameras and pass it on to the 2nd District in a timely manner. Block members reminded residents of the importance of reporting safety concerns with 2nd District in a timely manner. Block members invited residents to join the group and attend the monthly meetings.

It’s your civic duty.
Completing the census is mandatory: it’s a way to participate in our democracy and say “I COUNT!”

Taking part is your civic duty.

Businesses use census data to decide where to build factories, offices, and stores, which create jobs.

Residents use the census to support community initiatives involving legislation, quality-of-life, and consumer advocacy.

Your privacy is protected.
It’s against the law for the Census Bureau to publicly release your responses in any way that could identify you or your household.

By law, your responses cannot be used against you and can only be used to produce statistics.

2020 will be easier than ever.
In 2020, you will be able to respond to the census online.

You can help.
You are the expert—we need your ideas on the best way to make sure everyone in your community gets counted.

CENSUS 101: WHAT YOU NEED TO KNOW
The 2020 Census is closer than you think!
Here’s a quick refresher of what it is and why it’s essential that everyone is counted.

Everyone counts.
The census counts every person living in the United States once, only once, and in the right place.

It’s about fair representation.
Every 10 years, the results of the census are used to reapportion the House of Representatives, determining how many seats each state gets.

It’s about redistricting.
After each decade’s census, state officials redraw the boundaries of the congressional and state legislative districts in their states to account for population shifts.

Census data are being used all around you.
The distribution of more than $675 billion in federal funds, grants, and support to states, counties, and communities are based on census data. That money is spent on schools, hospitals, roads, public works, and other vital programs.
