

# Getting the right price matters!

There are many online portals that will give you inaccurate information. Why would you trust your most important asset to something so vague? We will give you an in-depth analysis of what you can really expect in the current market. Send your request to [info@james-group.com](mailto:info@james-group.com) or call us at **301-854-1100** and we will give you an accurate assessment of your home's value within the hour.

We are also prepared to help you with pre-market strategies such as repairs and remodeling. We can let you know if your money spent will yield you a favorable return on the sale of your property.
