

Bringing St Bernard's to our homes.

The restrictions of our times have highlighted the growing need to communicate with those unable to leave their homes. Increasingly many are denied the joy of attending Mass, benefitting from Fr Jack's Sermons, and enjoying uplifting music from Liam and the St Bernard's Choral.

In keeping with its remit of reaching out to those in need, the SVP has commissioned a live Video/Audio link. Fr Jack has agreed to pay the WiFi running costs. Jonathan Jenkins of Our Lady and St Peter's has spent many days installing and testing the system to the point where it is now live. Our grateful thanks Jonathan!

By using the link below, all will be able to attend, at a familiar Church, Mass or any other live streamed event, remotely. e.g. in addition to weekly Masses, it is now possible for Family and Friends from anywhere in the world to participate at Weddings and Baptisms, et al.

From Sunday 10th Jan 2021 go to eastgrinsteadcatholicparish.com and follow the 'St Bernard's' links.

To enable the project to go ahead the total cost of £350 has been underwritten by the St Bernard's SVP, however this is very much an initiative for the benefit all in our community at St Bernard's and for which most, will surely want to participate.

If you wish to contribute, may we suggest that a donate of **£10.00** for a family and **£5.00** for an individual would allow this to be a truly community funded project.

If needed, Fr Jack has kindly agreed to authorise the parish to make up any shortfall.

Thank you as always for your generous support
