

# WHISTLE-BLOWER POLICY & VIGIL MECHANISM

Approved by Board on 31<sup>st</sup> January 2015

## 1. Preface

- a. The Company believes in the conduct of the affairs in a fair and transparent manner by adopting highest standards of professionalism, honesty, integrity and ethical behaviour. Towards this end, the Company has adopted the Wintac Code of Conduct ("the Code"), which lays down the principles and standards that should govern the actions of the Company and its employees. Any actual or potential violation of the Code, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. The role of the employees in pointing out such violations of the Code cannot be undermined. There is a provision under the Code requiring employees to report violations, which states:

***"Clause: 18 Reporting Concerns***

*"Every employee of the company shall promptly report to the management when she / he becomes aware of any actual or possible violation of the Code or an event of misconduct, act of misdemeanor or act not in the company's interest. Such reporting shall be made available to suppliers and partners, too.*

*Any employee can choose to make a protected disclosure under the whistle-blower policy of the company, providing for reporting to the chairperson of the audit committee or the board of directors or specified authority. Such a protected disclosure shall be forwarded, when there is reasonable evidence to conclude that a violation is possible or has taken place, with a covering letter, which shall bear the identity of the whistle blower.*

*The company shall ensure protection to the whistle-blower and any attempts to intimidate him/her would be treated as a violation of the Code"*

- b. Section 177(9) of the Companies Act 2013 and Clause 49 of the Listing Agreement with Stock Exchange mandates all the listed Companies to constitute a vigil mechanism or 'While-blower Policy' for Directors and Employees to report concerns of unethical behaviour, actual or suspected, fraud or violation of the Company's code of conduct.
- c. Accordingly, this While-blower policy ("the Policy") has been formulated with a view to provide a mechanism for Directors and Employees of the Company to approach the Managing Director or Chairman of the Audit Committee of the Company.

- a. This Policy is an extension of the Wintac Code of Conduct. The Whistle-blower's role is that of a reporting party with reliable information. They are not required or expected to act as investigators or finders of facts, nor would they determine the appropriate corrective or remedial action that may be warranted in a given case.
- b. Whistle blowers should not act on their own in conducting any investigative activities, nor do they have a right to participate in any investigative activities other than as requested by the Ethics Counsellor or the Chairman of the Audit Committee or the Investigators.

- a. While it will be ensured that genuine Whistle-blowers are accorded complete protection from any kind of unfair treatment as herein set out, any abuse of this protection will warrant action as appropriate.
- b. Protection under this Policy would not mean protection from any action arising out of false or bogus allegations made by a Whistle-blower knowing it to be false or bogus or with a *mala fide* intention.
- c. Whistle-blowers, who make three or more Protected Disclosures, which have been subsequently found to be *mala fide*, frivolous, baseless, malicious, or reported otherwise than in good faith, will be disqualified from reporting further Protected Disclosures under this Policy. In respect of such Whistle-blowers, the Company/Audit Committee would reserve its right to take/recommend appropriate action.

The Chairman of the Audit Committee / Managing Director, as the case may be shall detach the covering letter and forward only the Protected Disclosure to the Investigators for investigation

## 7. **Investigation**

- a. All Protected Disclosures reported under this Policy will be thoroughly investigated by the Managing Director / Chairman of the Audit Committee of the Company who will investigate / oversee the investigations under the authorization of the Audit Committee. If any member of the Audit Committee has a conflict of interest in any given case, then he/she should recuse himself/herself and the other members of the Audit Committee should deal with the matter on hand.
- b. The Managing Director / Chairman of the Audit Committee may at its discretion, consider involving any Investigators for the purpose of investigation.
- c. The decision to conduct an investigation taken by the Managing Director / Chairman of the Audit Committee is by itself not an accusation and is to be treated as a neutral fact-finding process. The outcome of the investigation may not support the conclusion of the Whistle-blower that an improper or unethical act was committed.

- d. The identity of a Subject will be kept confidential to the extent possible given the legitimate needs of law and the investigation.
- e. Subjects will normally be informed of the allegations at the outset of a formal investigation and have opportunities for providing their inputs during the investigation.
- f. Subjects shall have a duty to co-operate with the Managing Director / Chairman of the Audit Committee or any of the Investigators during investigation to the extent that such co-operation will not compromise self-incrimination protections available under the applicable laws.
- g. Subjects have a right to consult with a person or persons of their choice, other than the Managing Director / Investigators and/or members of the Audit Committee and/or the Whistle-blower. Subjects shall be free at any time to engage counsel at their own cost to represent them in the investigation proceedings.

- i. Unless there are compelling reasons not to do so, Subjects will be given the opportunity to respond to material findings contained in an investigation report. No allegation of wrongdoing against a Subject shall be considered as maintainable unless there is good evidence in support of the allegation.
- j. Subjects have a right to be informed of the outcome of the investigation. If allegations are not sustained, the Subject should be consulted as to whether public disclosure of the investigation results would be in the best interest of the Subject and the Company.
- k. The investigation shall be completed normally within 45 days of the receipt of the Protected Disclosure.

## 8. **Protection**

- a. No unfair treatment will be meted out to a Whistle-blower by virtue of his/her having reported a Protected Disclosure under this Policy. The Company, as a policy, condemns any kind of discrimination, harassment, victimization or any other unfair employment practice being adopted against Whistle-blowers. Complete protection will, therefore, be given to Whistle-blowers against any unfair practice like retaliation, threat or intimidation of termination/suspension of service, disciplinary action, transfer, demotion, refusal of promotion, or the like including any direct or indirect use of authority to obstruct the Whistle-blower's right to continue to perform his/her duties/functions including making further Protected Disclosure. The Company will take steps to minimize difficulties, which the Whistle-blower may experience as a result of making the Protected Disclosure. Thus if

Whistle-blower is required to give evidence in criminal or disciplinary proceedings the Company will arrange for the Whistle-blower to receive advice about the procedures, etc.

- b. A Whistleblower may report any violation of the above clause to the Chairman of the Audit Committee, who shall investigate into the same and recommend suitable action to the management.
- c. The identity of the Whistle-blower shall be kept confidential to the extent possible and permitted under law. Whistle-blowers are cautioned that their identity may become known for reasons outside the control of the Managing Director / Chairman of the Audit Committee (e.g. during investigations carried out by Investigators).
- d. Any other Employee assisting in the said investigation shall also be protected to the same extent as the Whistleblower.

## 9. **Investigators**

- a. Investigators are required to conduct a process towards fact-finding and analysis. Investigators shall derive their authority and access rights from the Managing Director / Audit Committee when acting within the course and scope of their investigation.
- b. Technical and other resources may be drawn upon as necessary to augment the investigation. All Investigators shall be independent and unbiased both in fact and as perceived. Investigators have a duty of fairness, objectivity, thoroughness, ethical behavior, and observance of legal and professional standards.
- c. Investigations will be launched only after a preliminary review which establishes that:
  - i. The alleged act constitutes an improper or unethical activity or conduct, and
  - ii. Either the allegation is supported by information specific enough to be investigated, or matters that do not meet this standard may be worthy of management review, but investigation itself should not be undertaken as an investigation of an improper or unethical activity.

## 10. **Decision**

If an investigation leads the Managing Director / Chairman of the Audit Committee to conclude that an improper or unethical act has been committed, the Managing Director / Chairman of the Audit Committee shall recommend to the management of the Company to take such disciplinary or corrective action as the Managing Director / Chairman of the Audit Committee deems fit. It is

clarified that any disciplinary or corrective action initiated against the Subject as a result of the findings of an investigation pursuant to this Policy shall adhere to the applicable personnel or staff conduct and disciplinary procedures.
