

Greeting Crafters!

I am looking forward to meeting you on Saturday, September 18th, 2021. Our Arts and Crafts events will be in a new area again this year. We will try our hardest to accommodate our crafter's needs, but please be patient and understand not all requests can be met. This year the event will take place in the Soo Line Park, across from the Fire Station where our farmer's markets happen during the summer, (previously where the big tent was set up for the bands).

Set up time will begin at 7:00 a.m. on Saturday, September 18th. The sale will take place from 9:00 a.m. until 3 p.m. Please remember to provide your own tent/shelter and display tables. Some of our spots this year are under the red pavilion, however, most will not be, come prepared for sun/rain and pavement.

Please be sure that if you do not use a Business Tax Identification Number on the registration form that you use your personal social security number. Information on this form is required by the State of Wisconsin.

Return the enclosed registration form no later than September 1st, 2021, to reserve your spot along with a self-addressed stamped envelope. Spots are limited, return as soon as possible.

- Due to uncertain times, we will not be providing coffee and treats this year. We are not responsible for accidents.

Please make checks payable to:
Amery Fall Festival

There are no refunds for cancellations made after September 1st, 2021.

Thank You,

Amanda Troff
