Honey Drops are Soft and Creamy

- | | |
|--|--|
| 1 Tablespoonful of
Strained Honey | $\frac{1}{2}$ Teaspoonful of
Almond Extract |
| $\frac{1}{2}$ Cupful of Boiling
Water | White of One Egg |
| 1 Cupful of Granu-
lated Sugar | 1 Heaping Teaspoonful
of Butter |
| | Almonds or Pecans
as Desired |

SUGAR, honey and butter should be put into boiling water and stirred until dissolved. Then cook slowly until the syrup threads. Add the almond extract and pour the syrup on to the beaten white of egg. Beat until cool, then drop on to wax paper. Decorate with nuts if liked. These drops should be soft and creamy and white.
