

## Nut Filling

2½ tablespoonfuls cornstarch,  
⅜ cupful sugar,  
¾ cupful milk,  
½ teaspoonful vanilla extract,  
¾ cupful chopped nutmeats.

Sift the sugar and cornstarch into a small saucepan, add the milk slowly and cook it until smooth and thick, stirring it constantly. Remove the mixture from the fire, add the nutmeats and flavoring and spread it on the layers while hot.
