

WONDER BREAD *SANDWICHES, JARDINERE*

These tasty sandwiches are easy to make. Just cut cylinders of Wonder Bread $1\frac{1}{2}$ inches high by $1\frac{1}{4}$ inches across. (You do not need a special cutter. An empty sharp edge can answers very nicely.) Then hollow out the inside to resemble a tiny jardiniere.

Fill with cream cheese combined with grated pineapple and ground up dates and nuts. Blend with whipped cream dressing. Then insert a sprig of parsley in the top to represent a growing plant.
