PERSONAL

In her spare time she
paints in watercolor
and enjoys gardening.
Recently she set up a
backyard chicken
coop for fresh eggs.

...if only (sigh) she had
some chicks.

Food Nation Radio Bio

Food Nation Radio
Network grew out of one
mom's frustration with the
lack of transparency from
the food production
industry.

Experts make the
connection between the
foods we eat and the
deteriorating health
nearly all Americans
