

Sudoku

Each row, column, and square (9 spaces) must be filled with numbers 1 through 9, without repeating any numbers within the row, column, or square. Numbers already printed in puzzle may not be changed.

5		9	6		3	2		7
2			1			5		
	1	6			8		3	
9	3			6		7	2	
			7		2			6
6				3		1		
		7		2	4			1
	2		9			6		
1		5	3		6		4	2
