ABlessing To The Nations

...Impacting the world for JESUS!

AWANA

Expanding the AWANA program to Latin America and Caribbean!

AWANA is an international evangelical Christian nonprofit organization. The mission of AWANA is to help "reach kids, equip leaders and change the world for God. AWANA is a bible based memorization program, committed to the belief that the greatest impact for Christ starts with kids who know, love and serve Him.

The very first AWANA program in the country of Panama was started by B2N in 2012! In 2014 we began an AWANA program in Guatemala. We currently have 7 thriving AWANA location. Each location averages 25 to 75 children ranging from 5 to 18 years old!

The AWANA ministry itself does not help us in anyway financially. B2N relies on donor support to help purchase: leader training, bibles, materials, supplies, snacks and bus fare/salaries for our leaders.

The pastor from the San San Tigra area, heard that B2N would give bibles to pastors that requested them. When he came to the B2N mission house to receive the bibles, Betty suggested that we start a new AWANA program with his help in the San San Tigra area. It has now been established with positive results and support from the community!

Other NEW areas we are working in are...

BARRIO CANGREIO

VILLA DEL INDIO

SEA SIDE

VALLEY SARON

New AWANA material has been purchased and delivered to our existing locations. The program school year runs from March to December.

AWANA in **GUATEMALA...**

Panama has always been the role model for our AWANA programs. Because of the success of the Panama AWANA we started the AWANA program in Guatemala.

Guatemalan youth that were in our first AWANA program that began in 2014! A church was birthed and is now under construction because of B2N starting an AWANA program in Barcenus!

FUTURE AWANA PROGRAMS...

As money comes in we have hopes and dreams to open more AWANA locations in CUBA, COSTA RICA, GHANA, SOUTH AFRICA, and to expand further in GUATEMALA and PANAMA! We have seen the program results first hand and it is making a strong impact in every village!
