

ALDEVRA, LLC NAMED TO INC. MAGAZINE'S VET50 LIST

RELEASE – Aldevra, LLC ranked among 50 Fastest-Growing Veteran-Owned Businesses

(MARCH 21ST 2019) – ALDEVRA, LLC has been named on the second annual Vet50 list—a compilation of the nation's fastest growing veteran-owned businesses. The ranking, created in partnership with Inc. magazine and the Institute for Veterans and Military Families at Syracuse University (IVMF), was born out of the iconic Inc. 5000 list of the fastest-growing private companies based in the U.S. Both distinctions are considered hallmarks of entrepreneurial success.

“Aldevra is grateful for this opportunity and recognition from the Institute for Veterans and Military Families – IVMF, Inc. Magazine, and Inc. 5000 as part of their compilation of the nation's fastest growing veteran-owned businesses. We appreciate the continued support from our customers, manufacturers, partners, and employees.” says Rodney Marshall, President and CEO of Aldevra, LLC.

Within the last year, Aldevra was named on the 2018 Inc. 5000 list of the fastest-growing private companies in America, ranked at number six for top companies in Michigan and number 689 out of the 5000-national list. Aldevra is also celebrating its ten-year anniversary this year.

By working with a variety of industry suppliers, Aldevra ensures its customers find the right equipment and supplies to meet their needs and budget. Aldevra specializes in federal government procurement and offers food service and medical equipment, along with staffing services, project management, and installations. Aldevra's mission is to provide high quality products and timely service at the best value.

“Veterans bring an incredible array of knowledge and skills to the world of business. Inc. is proud to join in honoring the valuable contributions these leaders make to their communities and to the American economy” says James Ledbetter, editor, Inc. magazine and Inc.com. The Vet50 list was announced on Saturday, March 2, 2019 in Dallas, TX, at the Vet50 Awards dinner during the IVMF Veteran EDGE national conference (February 28 – March 3, 2019). EDGE is the first-of-its-kind coalition of large companies supporting the success of veteran-owned businesses, connecting them with entrepreneurial education, training, resources, and networking opportunities. About Aldevra, LLC

Aldevra LLC was formed January 25, 2009 by current President & CEO Rodney Marshall. Mr. Marshall is a service-disabled veteran and minority entrepreneur. He knew there was a demand for small businesses with these qualifications and wanted to start with an industry where he was comfortable. Since its inception, Aldevra has successfully performed as the prime contractor on federal and state government contracts for multiple agencies. We provide high quality products and timely service at the best value. For more information, visit <http://aldevra.com/>.

About Inc. and the Inc. 5000

Founded in 1979 and acquired in 2005 by Mansueto Ventures, Inc. is the only major brand dedicated exclusively to owners and managers of growing private companies, with the aim to deliver real solutions for today's innovative company builders. Total monthly audience reach for the brand has grown significantly from 2,000,000 in 2010 to over 20,000,000 today. For more information, visit <http://www.inc.com/>.

The Inc. 5000 is a list of the fastest-growing private companies in the U.S. Now in its 37th year, this prestigious list of the nation's most successful private companies has become the hallmark of entrepreneurial success.

About the Institute for Veterans and Military Families at Syracuse University

The Institute for Veterans and Military Families (IVMF) is the first interdisciplinary national institute in higher education focused on the social, economic, education, and policy issues impacting veterans and their families. Through its professional staff and experts, the IVMF delivers leading programs in career, vocational, and entrepreneurship education and training, while also conducting actionable research, policy analysis, and program evaluations. The IVMF also supports communities through collective impact efforts that enhance delivery and access to services and care. The Institute, supported by a distinguished advisory board, along with public and private partners, is committed to advancing the lives of those who have served in America's armed forces and their families.
