

HAVE YOU STARTED YOUR **COLLECTION?**

In January 2016 I started doing something I've never done before — and it's been some of the best work of my life. I began a 20-episode teaching series designed to take you through Yeshua's 70-week ministry, as detailed in The Chronological Gospels Bible. These teachings are something special. They're not for sale. We're not putting them on YouTube, either. They are a thank-you gift from me to you when you support the ministry through our Love Gift program.

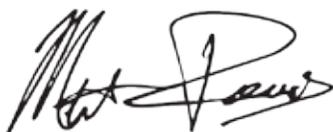

Each month, I'll release one teaching based on what was transpiring in Yeshua's life during that particular month. For example, his mikveh took place in February, so that month we explored the meaning embedded in the mikveh and the voice from Heaven that proclaimed Yeshua the Lamb of YeHoVaH. April's teaching is all about the Feast of Matzah. This is time of year when we remove all the leaven from our homes to prepare for the Passover and the Feast of Unleavened Bread. At this time in history, Yeshua was doing a little spring cleaning of his own — at the Temple.

Entrenched in their insidious idiocy as usual, the religious leaders of Yeshua's time never understood the concept that Rav Shaul (Apostle Paul) reiterated to the Gentiles: "A little leaven leavens the whole lump" — that is until Yeshua fashioned a whip and eradicated their "leaven" for the Feast of Matzah. By allowing the money changers to do business at the Temple, the Pharisees enjoyed a piece of the action; they were deceived by the leaven of their greed. Even rabbis today acknowledge that this was crossing the line!

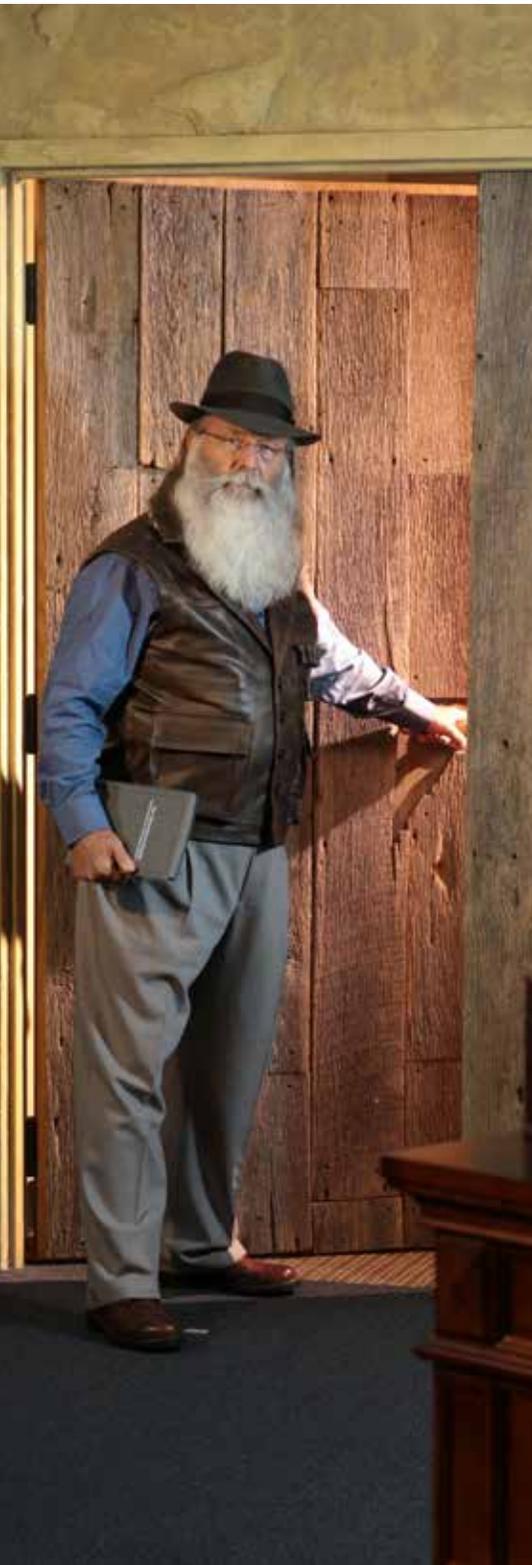

There's much more to tell you about the story behind the story, but I'll save it for the video. And that's the whole point — these teachings come from a lifetime of experiences and discoveries that you won't hear anywhere else. So, if you haven't started your collection yet, start now. Look for the "Feast of Matzah" love gift information in this newsletter. And if you're just now catching on to the idea that this 20-episode series is something you want, don't worry about the previous episodes; we'll have those available later in the year so you can catch up.

Start your collection now; I promise you'll have even more fun watching them than I had making them... and that's saying something! Thanks again for supporting the Gospel of the Kingdom through this ministry.

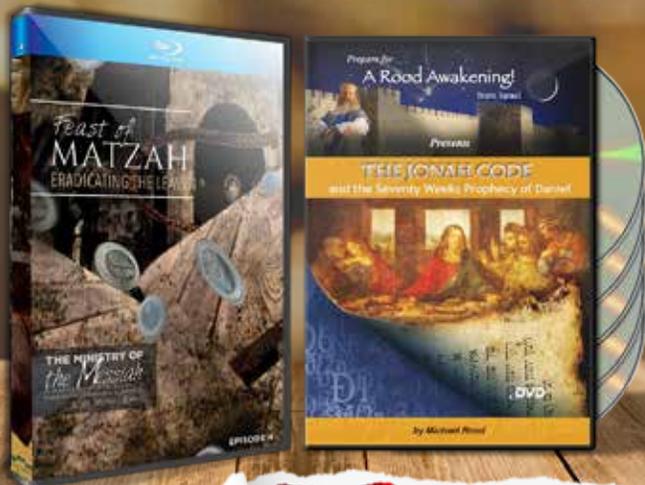

See you when the smoke clears,

Michael Rood

ROCKET RAIN

Earlier this spring, torrential rain slammed the coast of Israel, causing great suffering and hardship to many throughout Ha-Aretz and the war-front communities. Terrorist groups within nearby Gaza took this opportunity to launch rockets into Israel and the Sha'ar Ha Negev area adjacent to Sde'rot.

Meanwhile, various residents in Sde'rot and bordering communities had complained to authorities of hearing muffled men's voices and pounding during the night from

somewhere near or below their homes. Following an investigation, numerous terrorist 'attack-tunnels' were discovered and blown up by the IDF.

Several weeks later, Gaza news reported that seven members of a commando team were killed and three seriously injured as a result of various collapsing tunnels that were being constructed in the direction of Sde'rot — and that three additional 'tunnel-commandos' were killed in the collapse of another terrorist attack-tunnel as a result of the 'mysterious' flood that filled the tunnels during the downpours!

Thank you for standing strong with us in prayer against this very deadly, future method of attack into our sleeping, border-front city of Sde'rot and other vulnerable Israeli communities. When you partner with The Lydia Project, you help support our ground team in the Land with the effort of ministering to these in harm's way. So please pray, participate and pledge.

In His Shalom,

THE GUARDIAN REPORT AVIV FELLOWSHIPS

In recent months, there has been an influx of Aviv Fellowships reporting attacks from not only the enemy (Ha-Satan) and his stiffes but from people claiming to be followers of the Messiah within both the Christian community and the Messianic community. This has led to some leaders asking to have their fellowship removed from the Fellowship Finder for a while.

Fear not, Guardians of the Aviv — YeHoVaH goes before you! Stand in the face of adversity and ridicule, don't back down to the voice of criticism, don't be like the Israelites who doubted YeHoVaH even after he delivered them from Pharaoh by parting the Red Sea.

The battle belongs to YeHoVaH and our soon returning King Yeshua. Be bold in what you know because the truth is like a double edged sword that penetrates the soul and the spirit, the joint and the marrow and judges the thoughts and attitudes of the heart (Hebrews 4:12). YeHoVaH has given you a spirit of truth so walk in boldness and know that He goes before you:

“But when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will show you things to come.”

- John 16:13

“Dear Brother Rood, I will tell you that you are a blessing for me! Every Friday, I watch you on Shabbat Night Live; last week I felt that the Holy Spirit spoke directly to me through you. My husband told me about you 6 years ago and I am so glad. He passed away in December 2015 but before he departed, he gave me the good news through you. I thank YeHoVaH for this and pray blessings for you and the Rood Crew!”

- Ellen B.

“Mr. Rood’s teachings have been in great part responsible in converting two of my friends from Islam and they themselves now are as excited as I am to watch any new material you post on YouTube. I would like to thank you for all your efforts in bringing to light the true path for all of us that have been lost and misled by modern religion and I hope you continue to help us learn and see the truth. I also would like to offer my services in anyway you see fit to help spread your word in the Arab world.”
