

SAFETY GUIDELINES TO ATTEND MASS

We are currently offering three weekend Masses: Saturdays at 4 PM, and Sundays at 10 AM and 5 PM. We will do so under the health and safety directives established by federal, Massachusetts and Cambridge authorities. One of the primary directives is maintaining social distancing, which will limit the number of people who can safely be in the church at any one time. Here is the outline for you how St. Peter's will proceed with Mass during the pandemic.

WHO MAY ATTEND?

No one is currently obligated to attend Mass. Cardinal O'Malley continues to dispense unconditionally all Catholics in the archdiocese from their Sunday obligation.

You should stay home if:

- You feel sick, suspect you are sick, or have a family member at home who is sick;
- You have been in contact with a COVID-19 positive person and should be in self quarantine;
- You are in a vulnerable population as defined by the CDC ([click here to learn more](#));
- You are over 65 years of age, especially if you have pre-existing medical conditions;
- You are uncomfortable in any way about being with other people at Mass.

Your safety, health, and well-being are our top priorities. If you choose not to attend, please continue to enjoy the celebration of Mass on TV.

Massachusetts Regulation: All visitors entering Massachusetts, including returning residents, who do not meet an exemption, are required to quarantine for 10 days or produce a negative Covid-19 test result that has been administered up to 72-hours prior to your arrival in Massachusetts. If your Covid-19 test result has not been received prior to arrival, visitors, and residents must quarantine until they receive a negative test result.
