MAP OF RACE

Recommended Driving Directions between MDC Accesses:

From Tea Access parking lot, turn R onto Tea Rd (follow for .6 mi).
Then turn R to stay on Tea Rd (follow for 1.6mi).
Merge L onto Indian Bend Rd (follow for .9 mi).
Turn L onto Hwy AN, which is paved (follow for 2.2 mi).
At stop sign turn R onto Hwy H (follow for 2.3 mi).
Turn L onto Mill Rock Rd. (follow for .6 mi).
Stay to the L to stay on Mill Rock Rd (follow for 1.2mi).
Destination will be on R. 😊

Entry Fee:

Maximum number of participants allowed is 50 so sign up EARLY

Early Registration - \$40/person *we're ole fashioned, mail-in only, postmarked by April 3rd*

Late Registration - \$50/person *day of race or postmarked after April 3rd*

Registration includes: Yummy snacks in the morning, at finish, and an all-you-can-eat Italian Dinner at EC. *Yes, we are feeding you! I mean, who really needs another t-shirt? MUST have your own drinking container for the day, we will NOT supply disposable containers—yuck!* Keep in mind we will have coffee, tea, Gatorade, and water, but *you supply container!* *Optional Drinking containers will be available for additional purchase. BYOB for dinner!!*

Location and Directions

Use image and links to help navigate:

MDC Tea Access (race start—Gasconade County, 7 miles south of Rosebud, MO):

<https://nature.mdc.mo.gov/discover-nature/places/tea-access>

MDC Mill Rock Access (race finish—Franklin County, 11.4 miles south of Gerald, MO): *Must enter from south side of river where parking is located (Hwy H to Mill Rock Rd). We do not recommend low water crossing (ford) from the north.*

<https://nature.mdc.mo.gov/discover-nature/places/mill-rock-access>

Tea Lakes (parking and FREE shuttle .5 miles N of Tea Access from race start as well as camping option—573-437-5563)

<https://tlakes.org/> NOTE: Google Maps is WRONG, Tea Lakes is 7miles south of Rosebud, MO!

Earth's Classroom (dinner starting at 4:30pm, awards ceremony to follow)

Race Rules

Crafts allowed in this race are: Solo Open Canoe, Tandem Open Canoe, Solo Stand Up Paddle Board, and Solo Kayak. There is no maximum or minimum craft length, but very short/ wide crafts are not recommended.

Bourbeuse Bluebell Race will happen rain or shine on April 11th, 2020 as long as river levels are safe. River level information is available at this web address.

https://waterdata.usgs.gov/mo/nwis/uv?site_no=07015720 Back-up date will be Saturday, April 25th, 2020. Notifications will be by e-mail and Earth's Classroom's facebook. *Warning: notice could be short and cell phone service is limited to none at the Bourbeuse River.*

Refunds, at your request only, will be available if you cannot attend the back-up date.

Race will start at approximately 10am in groups and will end at 4pm. Racers on the river after the end time can choose to continue independent of the race.

Race will be limited to 50 racers; first registered, first served (payment and registration paperwork received by EC, no credit cards accepted).

Racers must be 18 years old by April 11th, 2020 to paddle solo. Racers can be as young as 14 years old by April 11th, 2020 IF paddling with a tandem partner that is at least 18 years of age by the same date.

A space must be available on each side of the craft close to the bow on which to affix the official race numbers. Each boat will be assigned numbered stickers to be placed on the craft during the race.

Each racer must wear a Type 3 U.S. Coast Guard approved life preserver (PFD) at all times while on the water. A whistle must also be attached to each life preserver at all times.

For CANOE and SUP racers, paddlers must use single-blade canoe/SUP paddles that are human-powered only. Only KAYAKERS can use double bladed paddles. For any craft (canoe, sup or kayak) no motorized, rowing configuration, wind power, or towing is permitted.

Due to the narrow nature of the river, some boat interaction is to be expected. No purposeful interaction to cause other crafts to alter their course is acceptable. Good sportsmanship please.

The original craft must be paddled from start to finish. Any repairs may be made to the craft during the race, but other alterations are not permitted.

Any part of the craft (rudder, outriggers, etc.) that will be below the water line during any portion of the race must be “on board” from start to finish.

Deliberate littering on the river is illegal! Participants must keep their trash in/on their craft and properly dispose of the waste at the race finish.

The majority of the property along the river is privately owned. Stopping should be minimal, if at all, and discreet. Please be respectful.

Overland portages are not allowed except with the following exceptions: a tree obstruction, etc. (*we have beavers*). Racers can choose any channel with flowing water within the corridor.

Infractions of any rule during the race event will be grounds for disqualification to be reasonably and fairly determined by Bourbeuse Bluebell Race officials.

All race members should understand there are serious risks involved in this challenge. The greatest risk is narrow, tight, meandering channels and river hazards such as tree strainers, submerged debris, and logs. Good judgment must dictate self safety.

All racers and support personnel will enter this race at their own risk and will not hold this event’s organizers, judges, officials and sponsors liable for accidents to personnel or damage to any property.

All participants in this event, including paddlers must sign the “Waiver and Release of Liabilities”.

All participants agree to appear in any event related media coverage free of charge.

In formulating the rules that govern this event, every effort has been made to foresee all situations and problems that may arise, however, officials of the Bourbeuse Bluebell Race retain the right to change or amend these rules at any time without liability or recourse from any party regardless of the circumstances. Should such changes or amendments be made, every effort will be made to notify all entrants.
