FROM OUR PAST POST-COMMANDER, STEVE SEIDEN

U.S. Vets just issued this statement: We care about our Community and want everyone to be safe. Due to the Coronavirus disease 2019, U.S. Vets-Las Vegas has decided to postpone the Veterans Stand Down, which was scheduled for Wednesday, March 25th, 2020.

We apologize for this change in plans, but sincerely hope you will join us in the future when the event is rescheduled.

NOTES FROM OUR COMMANDER, JERRY BOOTZIN

Regarding the flu and the Coronavirus, I expect all of us to take the risks seriously and to be aware of the symptoms and to self-isolate when those are evident. We will not cancel our planned activities at this time but will monitor the situation in Las Vegas. Washing hands has always been a great deterrent to stopping the spread of any disease. The people who are hit the hardest and are MOST at risk are the elderly and infants. Stay healthy!

We have our Installation of Officers coming up on March 22nd and hope all will be able to attend

The most exciting event that is going to be coming up is Census Day! It is April 1, 2020 and all information will involve WHERE people are living in the United States on April 1, 2020. On March 12, 2020 the Census Bureau begins sending out invitations to complete the 2020 Census ONLINE OR OVER THE PHONE. Some select neighborhoods will receive paper questionnaires.

On April 1 all homes should receive an invitation to participate in the 2020 Census,

April 8-16 Paper questionnaires are sent to all households that have not completed the census.

Starting in May, Census takers begin visiting households that still have not completed the census questionnaire.

Census invitations are printed in both English and Spanish. Residents who respond online will be able to complete the census in 50 non-English languages.

We all know how important the 2020 census is for Nevada as we are a growing State and need a bigger slice of government funding.

The Census Bureau is taking applications for thousands of part time positions in Nevada. Some are office type positions and some are for the field. Applications can be submitted at 2020Census.gov/jobs or by calling 855-562-2020.

Poppy Drive is coming up and we need volunteers. You may call me if you are willing to volunteer this May 21-25. Volunteering online will again be available.

LAUGHLINES

A man was walking along a Californian beach and stumbled across an old lamp. He picked it up and rubbed it and out popped a Genie. The Genie said “OK, OK. You released me from the lamp, blah, blah, blah, blah. This is the fourth time this month and I’m getting a little sick of these wishes so you can forget about three. You only get one wish!”

The man sat and thought about it for a while and said, “I’ve always wanted to go to Hawaii but I’m scared to fly and I get very seasick. Could you build me a bridge to Hawaii so I can drive over there to visit?”

The Genie laughed and said, “That’s impossible. Think of the logistics of that! How would the supports ever reach the bottom of the Pacific? Think of how much concrete...how much steel! No – think of another wish.”

The man agreed and tried to think of a really good wish. Finally, he said, “I’ve been married and divorced four times. My wives always said that I don’t care and that I’m insensitive. So, I wish that I could understand women...know how they feel inside and what they’re thinking when they give me the silent treatment...know why they’re crying... know what they really want when they say ‘nothing’...know how to make them truly happy...”

The Genie said, “You want that bridge to be two lanes or four?”
