

GIVE WANGARATTA

WHAT MATTERS FOR WANGARATTA

Supporting local community needs and non profit organisations that work to create opportunities for children, youth and families in Wangaratta

GIVE Wangaratta is a community initiative to establish a charitable endowment fund for the long term needs and future of Wangaratta.

GIVE Wangaratta is a way local people can support causes they care about. Funds donated will build a local community fund that will provide grants to support local projects, people and initiatives that benefit our town and charitable needs.

The fund will support a range of causes and organisations that do good in our community, with particular focus on those that are vulnerable, and creating opportunities and support for children, young people and families. Grants could support new health programs, arts initiatives, community events, literacy and education programs, the homeless and needy- just to highlight how funds will be used.

The fund is overseen by a local advisory group made up of Wangaratta residents and funds raised are managed locally and stay in Wangaratta.

Donations over \$2 are tax-deductible. As a sub-fund of Into Our Hands Community Foundation, GIVE Wangaratta can receive donations from individuals and businesses in a variety of ways.

*DO YOU WANT TO SUPPORT
YOUR COMMUNITY?
CONSIDER
WORKPLACE GIVING !*

- Develop your company profile and reputation through local charitable giving that highlights your community purpose.
- Allow your business and employees to have a direct impact on the social and charitable needs in Wangaratta.
- Your employees receive a tax benefit and tax deduction for all donations.
- Help your employees engage with community needs and causes they care about
- Employees gain more job and employer satisfaction, feeling good about their job and contribution to their local community.
- Gives you the opportunity to show your support for your employees' generosity by matching their gifts. Double the community impact!
