Fountain Valley, CA, March 3, 2021...The Fountain Valley Community Foundation has donated \$5,000 in funding and is accepting tax-deductible donations to support the families affected by the recent fire on San Luis Street in Fountain Valley. Nine families were affected and they are in need of financial support to assist with housing and replacing essential belongings.

When donating, please specify for the San Luis Street fire victims. The donated funds will be turned over to the Fountain Valley Fire Marshall for distribution to those who suffered damage.

Two years ago the Community Foundation supported the families affected by the Haven's Fire. One of the Foundation's goals is to make sure we are able to facilitate aid to those in need in our community and we greatly appreciate the community's support in this effort.
