

REEMS CREEK NURSERY

Summer 2021 Vegetables

Warm Season Vegetables

Not all inventory will be available at the same time. Inventory will be available as transplants are ready.

All of our farm-grown vegetables are raised sustainably using organic methods and love. **Availability is dependent on weather and other factors.** When our homegrown veggie supply runs short, we occasionally bring in conventional vegetables and label them accordingly.

We recommend that you wait to plant warm season vegetables until after May 10 in Buncombe County, and May 15 in Madison and Yancey Counties.

Artichoke

BEANS

Beans - Blue Lake Bush

Beans - Royal Burgundy Bush

Beans - Midori Giant Bush Soybean

Celeriac - Brilliant
