(it is mandatory to come both days)

What attributes do you bring to the team?

What do you hope to receive from or achieve in Model UN?

(continued on the back)

Why do you want to be in Model UN?

In your own words, write a brief description about what the United Nations (not Model UN) is.

FSAPS Model UN Contract

In addition to the mandatory \$150 academic teams fee, Model UN competitions require registration fees as well as travel expenses. Last year, the expenses for the two in-state overnight trips averaged \$150 each. If this is a problem for anyone, please feel free to speak with Ms. Pruett or Mr. Stiffler. The New York City trip is for a small, chosen group of students. Students will choose to audition if they wish to attend and they will be selected based on their performance on the team, leadership, behavior, seniority, and other factors. If you try out and are selected to attend the New York trip, you will be responsible for the cost of the flight, hotel and dining. This averaged around \$750 last year. This does not including spending money.

It is mandatory that you attend both Monday AND Thursday club times, as well as the two fall and one spring competition. The fall competition will be held at Georgia Southern University. The spring competition will be held in Savannah, Georgia. If you pay the registration fees and travel expenses and decide you cannot go, you will NOT be reimbursed. Hotel and travel accommodations have to be booked months in advance, and they are booked based on the size of our team.

All academic club participants must adhere to the academic teams policies & procedure. Students are expected to be on their best behavior both during club time and especially during the competitions. Students that misbehave may be barred from further events. Students must also come to the club prepared with their work when it is due and contribute to their team and partners. Failure to participate will result in a parent conference and possible removal from the team. Finally, students must maintain passing grades in all classes or they will be unable to attend until they are raised.

Please review this information with your parents and sign below acknowledging you are aware of the requirements associated with Model UN. If you have any questions, please email Ms. Pruett at spruett@fultonscienceacademy.org or Mr. Stiffler at cstiffler@fultonscienceacademy.org. We are excited to have you on the team this year and look forward to a successful year with you on our team!

I have read and understand the requirements associated with Model UN. I also acknowledge that I should I not attend the fall and spring competitions; I will not be reimbursed for my portion of the travel accommodations.
