

Students in Kindergarten through 5th grade are welcome to join our paid clubs. Please see descriptions of our paid club options below.

If you wish to join a paid club, please check their date, time, cost, and description, and visit the links below to register.

Expressions in Motion Dance Class

(Pk-1st Ballet & Hip Hop, 2nd-5th Jazz & Hip Hop Mondays 4:15-5:15)

Expressions in Motion Dance offers students an opportunity to explore multiple styles of dance. Not only will children enhance their dance and performance skills, but they will gain self confidence and poise. This program will help to improve flexibility, balance, physical strength, mobility, and coordination.

Students in Prek-1st grades will participate in Ballet & Hip Hop.
Students in 2nd-5th grades will participate in Jazz & Hip Hop.
\$35 registration fee, \$155/8 week session per child, one hour class per week

The Coder School

(1st-2nd grade Mondays 4:30-5:30, 3rd-5th grade Wednesdays 4:30-5:30)

At The Coder School, we want to do more than just teach coding. We want aspiring coders to use their new found passion as a stepping stone to thinking outside the box, as a way to channel their ideas in a creative way and most importantly, to have fun. Our core business is our weekly after-school programs, run throughout the year. Coding takes practice, and we believe getting kids to code consistently throughout the year is

the only way they'll really learn to code!

Our programs are for students at all skill levels, ages 7-18, and progress through a broad array of languages from Scratch to Python, Javascript, Java and much more.

\$329 per semester

E2 Young Engineers

(1st-3rd grade Tuesdays 4:00-5:00, 3rd-5th grade Thursdays 4:00-5:00)

A program designed to introduce students to theoretical and practical aspects in the fields of software engineering, math, and entrepreneurship. These clubs help with advanced algorithmic thinking, develop procedural thinking, improve self-confidence and sense of self-efficacy and develop critical and creative thinking skills.

STEM & Robotics I (1st-3rd)

Kit + 16 classes \$324

Kit + 8 classes \$188

STEM & Robotics II (3rd-5th)

Kit + 16 classes \$398

Kit + 8 classes \$262

Chess Club

(2nd-3rd grade, 4th-5th grade Tuesdays 4:30-5:30)

We welcome children of all levels and will be offering virtual learning groups for students in 2nd and 3rd grades, and 4th and 5th grades. We will only be taking 12 students for each group. Students will learn openings, tactics and strategic thinking skills. Our goal is to create a positive learning environment to make sure children learn and improve the game while having a fun time in the class. Classes will be led by International Master

Carlos Perdomo, along with other Chess Atlanta coaches.

12 week session that includes optional virtual classes/tournaments on the weekends is

\$240 Register Here:

Ivy Bridge Debate

(3rd-5th grade Thursdays 4:30-5:30)

Ivy Bridge Academy's After-School Debate program offers a chance for students to improve public speaking skills and engage with current events through the activity of debate. Students enhance their research skills, critical thinking, persuasion tactics, and information processing by learning about both sides of an issue and being able to persuasively argue for either side. Students who participate in our after-school program will leave with a sense of accomplishment, newfound confidence, and a skill set that will help them through the rest of their schooling and even into adulthood.

\$300 Fall Semester, \$300 Spring Semester (priced by # of

classes)

Martial Arts

(Wednesdays Prek-1st grade 4:30-5:00, 2nd-5th grade 5:15-5:45)

Here students will have fun learning their first punch and first kick while at the same time understanding the step by step process to setting and achieving goals through self-discipline. Kids will build a strong moral compass that will lead them to making positive choices and decisions.

\$47 per monthly (4 virtual sessions)

Group Guitar Club

(4th-5th Tuesdays 4:00pm)

We've modified our Guitar Clubs to offer a more effective environment in light of virtual learning. In place of "ensemble" playing, this year we will be focusing on group instruction, much like a university performance lab. We will cover reading, technique, and presentation (performance). Students will have a list of solos to choose from on each level. Beginning in the fourth or fifth week, students will take turns

performing for and providing constructive feedback to one-another (4th -7th, 8th-12th).
\$20 per class plus \$40 registration fee

Music and Science

(1st-4th Grades Mondays 4:00pm-5:00pm, 5th-8th Grades Wednesdays 4:00pm-5:00pm)

Each week, we will guide students through a concept and an instrument build. We also aim to improve musical literacy by providing short, grade-appropriate music theory lessons each week. Classes will be recorded and posted to our YouTube channel for students to build the instruments with parental supervision. Elementary, Middle, and High School levels. [REGISTER HERE](#)

Online Private Lessons

(All ages)

Lessons are \$30 per half-hour, billed monthly via auto-pay, with no registration fee. All families receive access to our practice app. Tonara is an engaging music education app wherein we store music, track practice progress, and allow students to keep up with one another via the app's secure, monitored chat. Register to reserve your spot today! Students will receive Private Instruction in their instrument from a trained concert musician via Zoom. [REGISTER HERE](#) (All Ages)
