Welcome Letter

Greetings,

It is my pleasure to welcome you and your family to **Fulton Science Academy Private School!**

I would like to thank you for choosing to enroll your children in our school. As the father of three children, I am well aware of the huge responsibility you have placed with our administrative team and faculty. We are truly honored by the trust you have demonstrated in us. Family is very important to **Fulton Science Academy** as the success of our school is wholly dependent upon the partnership created between students, parents, staff, and administration. As you have entrusted us with the care and education of your child, we consider ourselves an extended family and treat our students with the same care and respect that we would our own children.

The staff of **Fulton Science Academy** is highly qualified, extremely committed, and dedicated to the well-being and academic success of its students. Our staff spends countless hours before, during, and after school to instruct, tutor, and support their students in mastering academic, life, and social skills. Our staff helps its students to grow in self-confidence and to build a deep respect for both themselves and others in a nurturing and safe environment.

Fulton Science Academy provides our students with the opportunity to grow, learn, and play in an environment conducive to fostering academic growth. Every aspect of our curriculum and school environment has been constructed to provide an innovative framework in which our students can build upon their knowledge, skills, and successes to realize their fullest potential. Our very special students will be challenged with mastering academic skills and building blocks, while instilling a deep love of learning. Our school has developed a high quality advanced academic program emphasizing S.T.E.A.M. (Science, Technology, Engineering, Art, and Mathematics) curriculum. We implement our academic programs with unique and innovative methods designed to develop advanced logic, high-level reasoning, greater material retention, and creativity. **Fulton Science Academy's** environment is structured to minimize distractions and stress, while optimizing work ethic, self-initiative, good character qualities, and well-developed social skills.

Our teachers and administration have high expectations and goals for our school, our students, and ourselves. We constantly set new and higher goals, once we have realized current expectations. Much like climbing a ladder, our staff and students are always reaching for the next rung to realize the next success and goal. We challenge both ourselves and our students to always strive for more. However, this is only possible with a positive environment and staff that supports, nurtures, and constantly fosters the abilities and strengths of its students. At **Fulton Science Academy**, we are privileged to enjoy that environment, so our students may flourish and succeed in all their endeavors, both personal and academic.

Fulton Science Academy is a reflection of all of us. All of our school policies and procedures are intended to provide a safe and orderly environment that will be conducive to learning. Our faculty and staff look forward to sharing their expertise in academics, enrichment programs, and extracurricular activities. We encourage you to get to know your school, its programs, activities, and schedule, while becoming an active participant in our school. Our success will be realized through our partnership with you.

We hope your family's experience at **Fulton Science Academy** will be an enriching and fulfilling experience and that we will enjoy the opportunity of educating your child for many years to come!

On behalf of the entire **Fulton Science Academy** staff and community, best wishes for a great school year!

Sincerely,

Kenan Sener, Principal

MISSION

To establish an educational framework designed to achieve the highest academic results and instill enduring strengths of character by leveraging innovation and STEAM curriculums for college preparedness and lifelong student success.

VISION

Fulton Science Academy Private School envisions to be a nationally ranked and recognized school for pre-K through 12th grade, serving advanced and gifted student populations committed to academic success, civic responsibility, and high ethical values within a safe environment that celebrates diversity and is nurtured by the collaborative efforts of its stakeholders and the broader community.

FSAPS has formed a partnership with its stakeholders to create a supportive and innovative gifted learning environment, which challenges students to achieve in academics and build a strong positive character, thereby instilling skills that will ensure success in all their future endeavors. The Science, Technology, Engineering, Arts and Math (STEAM) fields of study are the means we use to prepare our students for global competitiveness. We work to create an environment that reflects our richly diverse community through an inclusive curriculum and the incorporation of special events, guest lectures, and extracurricular activities. By creating an environment where understanding, support, and affinity help to maintain and fortify diversity, we work to empower and celebrate the individual student and our diverse community.

Our school community holds itself accountable to a consistent set of ethical behaviors, both as a whole and on an individual level, with the goal of building a new generation of young adults capable of valuing integrity and conscientious citizenship.

The aforementioned Fulton Science Academy Private School vision, mission, and explanatory statements were created for the benefit of our students, stakeholders, faculty, staff, and broader community in an effort to clearly communicate and define our purpose and direction. These statements were derived through a collaborative effort of all stakeholders in adherence to the FSAPS Vision and Mission Statements Review and Revision Policy.

TRANSPORTATION, PICK-UP, & DROP-OFF PROCEDURES

At present, FSAPS does not provide student transportation to or from school. However, in the future FSAPS may opt to offer this service in accordance with all state guidelines.

Students should be dropped off in the designated area appropriate for their class as directed by the school administration per written guidelines. Any student will not be allowed to enter or leave school without being escorted by the parent(s), person authorized by parent(s), or facility personnel.

After school care parents must come into the building in the evening when picking their child up and escort them from the building.

If the person picking up a child appears to be under the influence of alcohol or drugs, another authorized person will be called to pick-up both the child and adult.

If there is a Court Order keeping one parent or guardian away from the child, FSAPS must have a copy of the Court Order on file otherwise we cannot prevent the non-custodial parent from picking up the child.

NOTE: Outside transportation services (Uber, LYFT) are allowed by law for persons age 18 or older. No students under this age will be allowed to be picked up by such service.

EARLY CHECKOUTS

Being removed from classes and leaving the school prior to the official end of the school day with a parent or legal guardian is considered an early checkout. A photo ID is required to check a student out of school. Only those persons who have been previously approved by the parent(s)/guardian(s), and officially recorded on the student's records at school will be allowed to check out a student.

- **To be considered "in attendance" for a school day, a student must be present for at least one-half of the school day. Students leaving school before meeting that requirement will be considered absent for the day.**
- **A parent or legal guardian should bring appropriate documentation showing the necessity of an early checkout at the time the student is released from school.**
- **Early checkouts are not permitted during the last 30 minutes of the school day. Please plan accordingly.**

ABSENTEE & TARDY POLICY

Parents are responsible for school tuition, whether their child attends school or not.

FSA Private School recognizes two kinds of absences and tardiness: excused and unexcused. Please read through the definitions of each carefully so that you understand what you and your parents' or guardians' responsibilities are. Also, you need to be very aware of your responsibilities regarding homework, quizzes, and tests when you have an excused absence and the consequences for unexcused absences.

EXCUSED ABSENCES

Parents or guardians must notify the school on any day their child is not attending. Any student who has been absent from school must present a satisfactory excuse by written note or email (attendance@fultonscienceacademy.org) to the front office within three (3) days of returning to school. The excuse must state the reason for the absence and be signed by the student's parent or guardian. Students who have missed three (3) consecutive days of school or ten (10) or more days in a school year will be required to provide additional verification including doctors' statements. FSAPS accepts only the following as excusable reasons for absence from school:

- **Personal Illness:** Personal illness of the student or when attendance in school would endanger the health of the student or the health of others is excused.
- **Serious Illness or Death in the Family:** Serious illness or death in student's immediate family necessitating the absence.
- **Court Order:** Court order by a governmental agency mandating the student's absence from school is excused. When you return to school, you must bring a copy of the court order documentation.
- **Special or Recognized Religious Holidays:** Observance of religious holidays, necessitating absence from school based on the faith of the student.
- **Weather or Environmental Conditions:** Weather or environmental conditions rendering attendance impossible or hazardous to the student's health or safety may be excused.
- **Out of School Suspension:** *School days missed as a result of an out of school suspension shall be counted as excused.* Students who miss school due to an out of school suspension are allowed to make up any work missed (refer to "Make-up Work for Absences").
- **Scholarship Interviews / High School and College Visitations**
- **Students serving as pages in the Georgia General Assembly shall be recorded as present.**

UNEXCUSED ABSENCES

A student's absence from school or class for any reason other than those listed as excused absences will be considered an unexcused absence.

NOTE: It is very important for students to have a good attendance record for re-enrollment consideration.

ATTENDANCE POLICY PRE-K THROUGH HIGH SCHOOL

Fulton Science Academy maintains that student attendance is necessary if the student is to benefit fully from the educational experience. Students are allowed 10 absences per school year, not including school-sponsored field trips (local, out of state and international), school-sponsored events/college visits, academic team competitions and religious holidays. If a student is absent more than the allowed days, he/she will be referred to the Attendance Review Committee.

Attendance Review Committee: The purpose of an Attendance Review is to determine the appropriate action to take to maintain the educational integrity of the school and the educational benefits to the student. The review is conducted by an Attendance Review Committee, which consists of FSA administration and teachers. Mandates from the Attendance Review Committee are communicated directly to the student and parents.

SCHOOL TARDY (APPLIES TO ALL STUDENTS)

A student is tardy when he/she arrives at school after the beginning of the official school day. Once the student(s) have been properly signed in, they will get a "tardy slip" for admittance to class.

- *Excused Tardy: Late arrival to school as a result of reasons defined herein as excused absences or as a result of events physically out of one's control such as inclement weather, documented transportation delay, health related emergencies, power outage, compliance with court order, etc. shall be excused.*
- *Unexcused Tardy: Arriving late to school or class with or without the knowledge of a parent/guardian, as a result of oversleeping, traffic, parent errands, or other reasons are defined as unexcused.*

NOTE: Missing 20 minutes or more of any class (either at the beginning or end) constitutes an absence.

CLASS TARDY (APPLIES TO ALL STUDENTS)

Students are given four minutes to transition to each class during the course of the school day. Students are expected to be in their assigned seats when the class bell rings. Tardy students must report to the school front office to receive a **Class Tardy Pass** to class. If a student has checked in late through the Front Office, the student should have a "tardy slip" to class from the Front Office. A tardy is only excused when the student receives a written note/pass from a teacher that indicates why they were late to their next class.

CLASS CUTS/SKIPPING

A class cut occurs when a student is absent from class for more than 5 minutes without permission from the teacher or authorization from the office to do so. Students who become ill or need to see a counselor or administrator during class time should first report to class, obtain permission to be excused and a written pass from the teacher. If a student is too ill to report to the class, he/she should have another person notify their classroom teacher or the front office at once in order that appropriate attention may be given to the student.

MAKE-UP WORK FOR ABSENCES – EXCUSED OR UNEXCUSED

An excused or unexcused absence from school, even for several days, does not remove any student from their classroom responsibilities on the day they return to school. Students who have been absent will be given the same number of days that they were absent to make up missed work.

Assignments and class handouts are available on FSACONnect and are available 24 hours a day – should a student be absent for any reason. Students should access this information via the Internet. Long term assignments given prior to a student’s absence will be due on the original due date or upon the student’s return to school.

On the day the student returns to school, it is the student’s responsibility (6th grade and up) to find out what work is required and when the work needs to be completed – failure to do this will result in a zero for each of those assignments. For grades K-5, parents should email the teacher to find out what work is required and when the work needs to be completed – failure to do this will result in a zero for each of those assignments.

For students who have been absent, make-up tests will be scheduled at a time designated by the teacher. It is the student’s responsibility to take the test at that time. If the student fails to do this, the teacher is not obligated to set another time for the make-up. If the student fails to make up a test without making other arrangements, the teacher is not required to give the student the test.

Note: Classroom teachers may assign class work which needs to be completed during a specific class period. Failure to return the assignment during that class period may result with zero on the assignment.

PERFECT ATTENDANCE

Students are recognized if they maintain perfect attendance. Perfect attendance is considered as zero absences and zero tardies to school, as well as, zero absences and zero tardies to each assigned class. Whether the absence/tardy is excused or unexcused is not a consideration.

INCLEMENT WEATHER POLICY

Closing or delay of opening due to inclement weather:

School may be cancelled due to weather conditions. There are many factors that are taken into consideration when making the decision to close. First and foremost is safety, the ability to remove snow and/or ice at the school, or other conditions that could pose a danger to the children, staff, or facility. In the event that FSAPS is closed or delays its opening, the school will place the notice on the **local television and radio stations Channel 2 and WSB.**

If school is closed due to weather conditions, the decision will usually be made by the principal **before 6:30 A.M.** and announced on local television and radio stations.

FSAPS’s first concern is for the safety of our students. We understand that our students live in a wide range of areas. Although FSAPS may be open during inclement weather, it may be unsafe for some of our students to attend. For instance, if a student lives in North Forsyth, then that area may have extreme ice even though the FSAPS location does not or a student’s driveway may be steep and shaded so the sun does not melt the ice until several hours after school starts. Please note that in these circumstances parents need to call the school and report their circumstances, so that the student’s tardy (if they delay coming in) or absence due to severe or unsafe weather conditions will be excused.

Cyber School

If school is closed due to inclement weather, we may implement a Cyber School Day. This would require the students to have access to the internet for retrieving online school work and communication with their teacher(s). Participation in a Cyber School Day through approved completion of schoolwork will be

considered a day of attendance.

School closings announced during the school day:

If FSAPS is closing due to weather conditions during the school day, FSAPS will call and/or email all parents to pick up their students. We will announce this at FSAPS, via email message, signage, and on the local news stations, as well. FSAPS will remain at the school until all students are safely picked up or other arrangements are made with the parents.

For all weather related issues, periodically check the news for weather related closings/delays or call and speak with the Front Office. If possible, the FSAPS website will also indicate the closing notice and we will attempt to email all students.

LEAVE OF ABSENCE

A leave of absence is a period of greater than one week that is not a regular school holiday per the school calendar. In the event of an extended leave of absence, families are still responsible for their student's tuition. If you do not want to lose your child's classroom spot then you are responsible for paying tuition during any leave of absence whether your child is present for classroom instruction or not.

A director will call you while you are on an extended leave of absence if your child is in danger of losing their enrollment place at FSAPS. You will then have the option of bringing your tuition balance current or losing your classroom spot to a student on the waitlist or anyone wishing to enroll. Occasionally special arrangements can be made. Please see the appropriate school level administrator to do so.

Per the FSAPS contract, the full amount of the tuition is obligated and earned upon the enrollment of the student and no refund is due or payable upon the withdrawal, transfer, or dismissal of the student during the academic year.

DRESS CODE

School uniforms can be ordered through Lands' End Uniforms. This can be either through their store or online at www.landsend.com. The school code is 900127465 for easy ordering.

Students are expected to wear the FSAPS uniform at all times and to dress and groom themselves in such a way as to reflect neatness, cleanliness and safety. All students should dress appropriately so as not to disrupt or interfere with the educational program or the orderly operation of the school. The principal or other duly authorized school official shall determine whether any particular mode of dress, grooming and accessories is in violation of the spirit and/or the intent of the school's dress code policy. Students and parents are expected to honor the uniform code in order that valuable school time is not spent examining student attire to determine appropriateness. Students are not permitted to change out of their uniforms during or after school unless participating in P.E. (grades 4-8) or an after school activity that requires non-uniform clothing. Students who are in violation of the uniform earn conduct points. In addition, in some cases, FSAPS will contact parents of students so that they can bring an appropriate change of clothing. **Inappropriate attire jeopardizes the instructional climate and therefore, will not be tolerated.**

HEALTH and MEDICATION REQUIREMENTS & POLICIES

IMMUNIZATION POLICY

If you are new to the state of Georgia, your child's immunization records must be transferred to the Georgia 3231 form. This can be done by taking their records to either a county health department or their pediatrician's office. A current 3231 must be on file with the school clinic within **30 days** of starting school.

Out of state immunization records are **NOT** considered valid and **CANNOT** be accepted.

FSAPS requires all children to have immunizations & a copy kept on file within 30 days of starting school. Anytime your child receives a vaccine (other than the flu shot/mist), please send an updated form 3231 to school. We are required by the state to keep updated vaccine records for all of our students.

FSAPS adheres to the State of Georgia's Immunization requirements. Students must have a current 3231 form on file in order to attend class. **The 3231 form is only available from your child's physician or a county health department.**

There are two exceptions to this requirement of certified immunization:

- A child who has a physical disability for whom vaccination is medically undesirable provided that the local board of health or any physician licensed under the laws of this state or of any other state having comparable laws governing the licensing of physicians has certified in writing to the effect that the child's health precludes him/her from having the immunization until whatever physical disability he/she has is relieved. Medical Exemption must be documented on Form 3231. Medical exemptions are to be re-evaluated at least once each year and a new certificate issued at that time.
- A child whose parent or legal guardian objects to immunization of the child on the grounds that the immunization conflicts with the religious beliefs of the parent or guardian. Immunization may be required in cases when the disease for which the immunization is required is in epidemic stages. Documentation must be on GA Form 2208 and notarized. This exemption form may be downloaded on the School Nurse Webpage, under Immunizations.

HEALTH, ILLNESS, & INJURY POLICY

Parents will be contacted immediately via phone regarding major injuries requiring professional medical attention. Minor injuries, such as bumps, scrapes, and bruises will be reported on the Clinic Referral Form sent home with the student.

Parents often have questions concerning when their child should stay at home due to illness. Most FSA students are reluctant to stay home when they are ill; they worry about missing class and getting behind on tests and assignments. Students often persuade their parents they are well enough to "get through the day" when in fact they should be at home. Remaining at home will not only allow an ill student to recover faster, but it will minimize the chance of spreading their illness to others.

Students should stay at home if they:

- **Have a fever of 100.0 degrees or higher**, students must be fever free for 24 hours before returning (fever free without the use of medications such as Tylenol or Ibuprofen)
- Have vomiting or diarrhea. Students may return after experiencing no vomiting for 24 hours

- Have the flu
- Have a persistent or frequent cough
- Have constant pain (earache, stomach ache, recent injury, etc) that impacts their ability to concentrate
- Have a spreading rash
- Have been diagnosed with strep throat and have not been on antibiotics for 24 hours

Students will not be accepted nor allowed to remain at FSAPS if they have contagious symptoms such as, but not limited to, those listed in the table below:

REASONS TO KEEP YOUR CHILD HOME FROM SCHOOL

A Guide to Making an Early Morning Decision

- ❖ **Fever:** Children with fever of 100.0° F or higher, should stay home until there is no fever for 24 hours, without the use of medication. If you treat a fever with medicine before school, the fever can return and your child may still be contagious.
- ❖ **Fever with other symptoms;** Children with fever of 100.0° F or higher, plus one of the following: a) severe cold with yellow-green nasal discharge b) cough c) sore throat d) sneezing e) swollen glands, or f) skin rash, should stay home. Your child should stay home until there is no fever for 24 hours, without the use of medication. If you treat a fever with medicine before school, the fever can return and your child may still be contagious. Call your doctor if your child has a fever with pain, rash, weakness, vomiting or diarrhea.
- ❖ **Diarrhea & Vomiting:** One or more events loose, watery stools per day, or more than one event of vomiting, are reasons to keep your child home. If vomiting or diarrhea continues or your child also has fever, rash, or weakness, call your doctor. Your child must be free of upset stomach and vomiting, and diarrhea for 24 hours.
- ❖ **Pinkeye/Conjunctivitis:** If your child's eye is red with cloudy or yellow drainage, persistent itching, eyelashes crusted with discharge in the morning, he should stay home until symptoms are gone. Call your doctor for treatment.
- ❖ **Sore Throat:** If your child has a sore throat and fever, or a severe sore throat without fever, he should stay home from school. Call your doctor if there is a quick onset of fever and sore throat without cold symptoms.
- ❖ **Persistent Coughing:** If your child's cough is worse than you would expect with a cold, keep him at home. If he has a hard time breathing or has a fever, call your doctor.
- ❖ **Stomach Ache:** If your child complains of a stomach ache, especially if he says it hurts to move and he does not want to eat, he should stay home. Call your doctor.
- ❖ **Persistent Ear Pain:** Your child should stay at home if he has a lot of ear pain and or Drainage from the ear(s). Call your doctor for treatment.
- ❖ **Scabies, Skin lesions, ringworm:** If your child has scabies (a contagious disease caused by a mite which involves itching and a rash), or other skin rash, he should stay home for 24 hours. Your child may return after treatment. 6. a) Skin sores are healed, or b) Note is required from a physician or nurse practitioner stating that the child is not communicable.
- ❖ **Impetigo:** If your child has impetigo (red, oozing blister areas with yellow-gold scabs on the body or face) he should stay at home as long as your doctor says.
- ❖ **Chickenpox:** Your child should stay at home until all bumps are scabbed and no new bumps have shown up in two days. Call your doctor for treatment of symptoms.
- ❖ **Fainting, Seizures, or general signs of listlessness, weakness, drowsiness, flushed face, headache, or stiff neck:** Your child may return to school if a) Free of symptoms, or b) a note is required from a physician or nurse practitioner stating that the child is not communicable.

Under no circumstances is a sick student to attend FSAPS. Students should be allowed to recover fully in the comfort of their own home. If you are unable to remain home with your student, it is your responsibility to make alternate childcare arrangements.

If a student becomes ill or displays potentially contagious symptoms, parents will be notified by phone to come and pick up their child. Further, if the illness becomes a medical emergency, then 911 will be contacted and the student will be transported to the nearest emergency room.

Obviously, it is not possible to prevent the spread of all illnesses, however minimizing exposure and employing good hygienic practices at both school and home are a means by which we can limit the problem and the resulting inconvenience to everyone. Accordingly, for the benefit of all involved, the following policies will be strictly enforced.

- Students who have exhibited A N Y symptoms of infectious illness within the 24 - hour period prior to the beginning of the school day are likely to be contagious and should remain at home .
- Examples of illness associated symptoms include, but are not limited to, fever of 100° F measured orally, nausea or vomiting, diarrhea, sore throat, loss of voice, hacking or continuous coughing, yellow or green drainage from the nose, drainage from eyes or ears, a rash or head lice.
- FSAPS reserves the right to determine whether a student should remain at home or is okay to stay or return to school when illness is a consideration. A doctor's note giving permission for a student to return to school may be requested. Parents of students who become ill during the day will be promptly notified and are expected to make arrangements for their child to be picked up immediately. The sick student will, if possible, be isolated to minimize other student's exposure to the illness. If the parent and/or guardian cannot be reached, the individual designated as the emergency contact will be notified.

Please inform the school if your child has been diagnosed with a contagious illness. A notice will be shared with families of potentially effected students within the school, letting them know that their child has been exposed to a contagious illness/disease. For confidentiality reasons, the name of the child with the confirmed illness will not be released.

Common colds and allergies should not, unless causing the child to feel too uncomfortable, prohibit attendance. It is our policy to have conditions that encourage cleanliness and good health practices among both staff and students.

HEAD LICE POLICY

Head lice are often a fact of life for school-aged children. While inconvenient, head lice cause NO medical harm and do not spread disease. Lack of evidence-based research has shown that routine classroom or school wide screening is not recommended by the American Academy of Pediatrics and the National Association of School Nurses and will be conducted at the discretion of the school nurse. Parents are encouraged to check their student's head regularly. FSA policy states that if a student is found to have head lice, he/she will be sent home immediately and parents provided resources concerning treatment.

If a student is found to have head lice, he/she will be sent home immediately and parents provided resources concerning treatment. To return to school, documentation of clearance by either their doctor or removal

specialist stating the condition has been resolved is required. If multiple cases are found within a short timeframe, an entire class may have head inspections or screenings by school staff. In every situation, extreme precaution will be taken to maintain a student's privacy.

Once a family member has been identified as having lice, all members of the family should be checked and treated if necessary. There are numerous websites that can provide more information on the spread of lice, treatment, and prevention.

This is a short list of a few lice treatment companies in our area for the evaluation and treatment of your child and/or family, in our area :

ADMINISTRATION OF MEDICATION AT SCHOOL

Parent/ Guardian, the administration of medication to students during the school day presents an increased concern and awareness of the need to have written procedures.

The nurse is not always available to assist in the administration of the medication. Over-The-Counter and Prescription medication may also be dispensed to students by principal appointed school personnel. The School Nurse and personnel will cooperate with parents in this regard by providing a place for the medicine to be stored; however, the major responsibility for a child taking medication at school rests entirely with the child's parents/guardian.

Over-the-Counter Medications

Fulton Science Academy DOES NOT give Over-the-Counter medications - Ibuprofen (Advil, Motrin), Acetaminophen (Tylenol), Aspirin, cough drops, Neosporin, or any other Over-the-Counter medications. All OTC medications MUST be brought in by a parent or guardian, in its original container, and not expired. The parent/guardian will need to fill out the "Request for Administration for Medication" form. Students are NOT allowed to bring medication to the front desk or clinic. A Ziploc bag with medication and a parent note will not be accepted.

Prescription Medication

The prescription must be in the original container with the label intact. Extra bottles and labels may be

obtained from your pharmacy. The printed label must have the student's name, name of medication, dosage, and time the medication must be taken. The medication will need to be brought into the clinic by the parent/guardian (NOT THE STUDENT) along with a completed Medication Administration Request Form.

Bring in ONLY the amount of the medication that is needed for a school day. In the case of prolonged need, send in the amount for a clearly specified period. Written authorization to dispense medication shall be limited to two weeks unless otherwise prescribed by a physician. Extra medication will not be sent home with the student; the parent/guardian must come into the clinic to pick up.

NO authorization or approval will be given for a student to carry ADHD medication, narcotics, or any controlled medication. These medications are to be kept in the clinic and dispensed by the school nurse and/or principal appointed school personnel.

Prescription medication that a physician finds necessary to be taken during school hours, or OTC medication, will be given to students by the School Nurse and/or school personnel.

Expired medication will not be kept on site. All expired medication will be returned directly to the parent/guardian. It is the responsibility of the parent/guardian to supply FSA with a medication replacement as soon as possible.

If the medication is not picked up from the clinic by a parent/guardian before or on the last day of school, it is considered abandoned. Abandoned medication will be destroyed in accordance with local, state, and federal laws/rules and guidelines by the school nurse and an administrator. We do not store medication over the summer to use for the next year.

Please contact the school nurse with any questions or concerns regarding your child.

Confidentiality: Any FSAPS staff who gives or applies medication shall not disclose information about that child's medication unless such information is needed to protect the health of other children or staff.

HEALTH CONDITIONS

Any child with a diagnosed medical health condition, that may or may not be life-threatening, (such as seizure disorder, diabetes, food/insect venom allergy, asthma, heart condition, etc.) must have an Action Care Plan filed with the school clinic. These Action Care Plans will be kept in the school clinic, a copy with your child's teacher, and a copy with their emergency medication, for quick reference in case of emergency. A new Action Care Plan will need to be redone every school year. We do not keep the Action Care Plans from year to year due to possible changes. The forms can be found on the FSA School Website, www.fultonscienceacademy.org (School Life, School Nurse) or in the Nurse's Office/Clinic. Please have your physician fill it out completely, and be sure to include a recent photograph. These must be signed by the parent and the prescribing physician.

EPIPEN

If your child has an allergy that may require the use of an EpiPen, FSAPS will require their own EpiPen kept on site, which will be provided by the parent or guardian. If your child would require the use of the EpiPen while in attendance the following steps will be taken:

1. The EpiPen would be injected by a staff member.
2. 911 would be called after the EpiPen is injected.
3. The parent or guardian would then be contacted and given further information.

DUE PROCESS and STUDENT RESPONSIBILITIES & RIGHTS

All students at FSAPS are entitled to the rights guaranteed by the United States Constitution and Bill of Rights, and their rights will not knowingly be denied by the required code of conduct or by any disciplinary actions taken by the school. Any student that exhibits any of the unacceptable student behaviors or Conduct Violations listed in this handbook, or added to this list at a later date, will suffer immediate consequences. These consequences range from notification of parents, isolation, detention, and emergency removal from a school activity, to suspension, expulsion, and criminal prosecution.

In all instances, FSAPS's policies and procedures governing due process for suspensions and expulsions will follow Georgia Education Law. All students at FSAPS have the right to feel physically, emotionally, and intellectually safe. Therefore, if at any time you feel you are the subject of harassment, hazing, threats, or other intimidating behavior, you should immediately speak to an administrator about the problem. The situation will be investigated as soon as possible. All reports like this will be kept completely confidential.

Similarly, if you are concerned about the safety of a student who seems to be the subject of harassment, hazing, or threats, you should immediately speak to an administrator about the problem. The situation will be investigated as soon as possible and reports will be kept completely confidential.

SCHOOL-WIDE REWARDS

Students at FSAPS are always expected to exhibit appropriate behavior. However, in an effort to encourage students to go beyond the expected behavior, students will be recognized for “doing good.” Some examples are, but not limited to:

- **Assisting someone in need.**
- **Volunteering to do an unwanted task.**
- **Cleaning up after others.**
- **Consistently having a cooperative spirit.**
- **Exceeding requirements on an assigned task or assignment**

A system of rewards to students who reach a documented level of behavior has been put in place to recognize those students for their achievement. One type of the School-Wide Rewards is, but is not limited to:

Dress Down Days

These will be scheduled for the 2nd Friday of each month. Eligibility for participating in these Dress Down Days is based on receiving no disciplinary events during the previous month. Students participating must follow the FSAPS guidelines listed under the section Dress Code.

Citizenship Award

Individual rewards will be planned for the end of each semester for FSAPS students. Those students who exhibit good overall citizenship during each semester will receive a Citizenship Award for excellence in behavior. Those students who have not received any Conduct Points, Administrative Lunch Detentions, ISS, or Disciplinary Referrals during each semester will receive a Citizenship Award for excellence in behavior.

Commendations

A Commendation will be awarded to students who are observed exhibiting behavior “above and beyond” expected behavior. Any FSAPS employee who observes a student engaged in this type of exceptional behavior can issue a Commendation. Commendations are not noted on a student’s permanent discipline transcript; however, are logged in FSAConnect for parent view.

Any damage, requiring repair to hardware or software will result in financial charges being assessed. Students shall not alter or attempt to alter school or private property, including technology hardware and software. DESCRIPTION OF DISCIPLINE OPTIONS

Withholding of Privileges

The student may be denied an opportunity to partake in school-related activities and/or events as deemed appropriate by an administrator.

Administrative Lunch Detention

An administrator may assign administrative lunch detention to a student who fails to comply with school rules. Parents will be sent a notification when administrative lunch detention is assigned. All administrative lunch detentions are documented on the student's permanent discipline record.

In-School Suspension

In-School Suspension is a formal disciplinary action that can only be assigned by the FSAPS administrator and requires written correspondence to parents. In-school days of suspension may increase on successive occasions where it becomes necessary for the same student to be placed in in-school suspension. All students under in-school suspension are prohibited from participating in after school activities and are therefore required to leave the school campus immediately upon dismissal. Disciplinary Referral Forms resulting in In-school suspension assignments will be recorded on the student's discipline transcript.

Out-of-School Suspension

Out-of-School Suspension is a formal disciplinary action that can only be assigned by the FSAPS administrator and requires written correspondence to parents. Out-of-school suspension may increase on successive occasions where it becomes necessary for the same student to be suspended from school. A meeting between a parent and an administrator is required prior to the return to FSAPS of any student serving an out-of-school suspension. All students under out-of-school suspension are prohibited from participating in after school activities and therefore are not allowed to come on the school campus. Students who receive an out-of-school suspension will not be able to participate on any overnight field trips for the rest of the school year and any fees or deposits paid earlier are non-refundable. Out-of-school suspension assignments will be notated on student's discipline transcript.

Academic and/or Behavioral Contract

Students who have been given consequences based on Step 4 of the disciplinary cycle in any category will be asked to enter into an academic and behavioral agreement. Failure to sign the agreement by the parent and/or student will not hinder the school administration from taking any further actions.

CLASSROOM MANAGEMENT

FSAPS uses a School-wide Classroom Management Plan in which all faculty and staff work in a cooperative systemic effort to encourage a successful learning environment. This plan is designed to ensure an effective learning atmosphere for all students and to curtail any minor inappropriate behaviors that disrupt the learning environment.

The structure of the Classroom Management Plan consists of four main parts:

- **Rules** - the expected behaviors for all students.
- **Consequences** – what the student chooses to accept if a rule is broken.
- **Rewards** - what the student receives for appropriate behavior
- **Commendations** – what the student receives for exceptional behavior.

Teacher Intervention Process for Classroom Misconduct

The teacher, in response to minor disciplinary problems in the classroom, will take the following steps when students fail to abide by the established behavioral expectations:

1. Verbal Warning (Information of the rule, non-verbal, verbal or written warnings)

Students who create classroom disruptions and/or fail to meet behavioral expectations will be given a verbal warning – they will be identified by name, told what they are/aren't doing properly, and instructed on how they need to correct the situation. Verbal Warnings will be entered on FSACONNECT for parental viewing.

2. Parent Contact

Teachers will reach out to the student's parents via phone call or email to enlist the support of the student's parents. Please document all phone calls and keep annotated notes on any recurring behaviors. It may become necessary to

have a conference with the student and the parents. In addition, the student may be referred to the counselor and/or assistant principal to develop more positive strategies.

3. Conduct Points or Discipline Referral

Teachers/staff assign appropriate conduct points for minor infractions and/or complete a referral form for more serious incidents. Conduct points are maintained in the electronic module of FSA Connect. Points accumulate per semester and consequences assigned weekly. A referral to the counselor may be warranted for repeated behaviors so that strategies and additional resources may be initiated. For major infractions, a referral is completed and turned in to an administrator for appropriate consequences.

CODE of CONDUCT

CONDUCT INFORMATION

It is our belief that good discipline is one of the cornerstones of a good education, and that to ensure good discipline, a close, cooperative relationship must exist between the home and the school. It is our goal to provide close communication with parents at the onset of behavioral issues, so that together we can find alternatives for students, and they can experience success in relationships at home and school.

For this behavioral program to be successful, students must make choices for themselves and **be responsible for their own behavior, as well as, for their academic performance**. Students who make poor choices cannot, and should not, place blame on the environment, parents, the school, and/or peers. All persons, involved in committing, planning, participating, helping, advising, encouraging, or benefiting in a violation of a rule or code of conduct are parties to the violation. While the school will help students develop good decision-making skills, ultimately, the future is determined by each student's own actions. The procedures in the discipline program will be followed in a fair and consistent manner.

RESPONSIBILITY FOR INDIVIDUAL ACTIONS OR CHOICES

It is expected that every individual will accept responsibility for his/her own actions, whether intentional or unintentional. Often harm caused to other persons or their possessions is unintentional, or the result of careless behavior. This, however, does not excuse or diminish the personal responsibility of the student (and/or his/her parent/guardian) to make appropriate restitution. When known and verified by an administrator, any harm caused to another will be reported to parents. **FSAPS, its employees, and/or the Board of Directors do not assume any liability for the intentional or unintentional harm caused by any student to another individual or his/her possessions.**

FSAPS has as its goal to help every student fulfill his/her intellectual, social, physical and emotional potential. Everything in and about the school has been designed to create an orderly and distraction-free environment in which all students can learn effectively and pleasantly. To foster this kind of learning environment, the FSAPS administrators and teachers shall not allow inappropriate, distractive, or disorderly behaviors to occur during school, on school property, or at any school-sponsored activities. **Students who continuously disregard the code of conduct may be recommended to the administrative team for expulsion.**

Our ultimate goal is to develop in students a sense of responsibility and self-discipline. Firm but fair is the basis for this system wide discipline program. Guidelines are provided in order to foster mutual respect and cooperation within the school setting. FSAPS takes seriously its responsibility to educate its students in a safe and drug free school where they are free from fear of harm or intimidation. Weapons, drugs and gang activity will not be tolerated. Students, who violate FSAPS rules, or State laws related to these offenses, will be suspended or expelled from school. Violators will also be reported to police and may be arrested. These rules apply to all students at school or school-sponsored activities, including field trips and on buses, athletic fields, stadiums, parking lots, and other sites used for school-sponsored activities.

MINOR VIOLATIONS DISCIPLINE CYCLE

Minor violations in or outside of the classroom will be handled by the issuance of Conduct Points. Students' violations will be recorded by the teachers or other staff by help of a computerized Conduct Log system. Conduct points can be given anywhere in the school by any school employee. Parents and students will have online access to the recorded information on FSAConnect in addition to a letter specific to the consequences being emailed to the parents. Administration will review the recorded Conduct Log weekly and assign consequences as follows:

1 – 4.5 - conduct points/weekly	No consequence assigned. However, points will be transferred to the following week (Points are cumulative per semester).
5 – 8.5 - conduct points/weekly	Administrative Lunch Detention – Students who earn a 4 th Lunch Detention in a semester will be given a Disciplinary Referral Form instead (ISS).
9 – 13 - conduct points/weekly	In School Suspension (ISS) – Students who earn a 4 th ISS in a semester will be given a Disciplinary Referral Form instead (OSS).
13.5+ – or more conduct points/weekly	Disciplinary Referral Form for not following school rules (Administrative decision based on step of discipline cycle).

MAJOR VIOLATIONS DISCIPLINE CYCLE - (Class II-IV Offenses)

Major violations of the student code of conduct result in a Disciplinary Referral Form. The Disciplinary Referral Forms are investigated and the administrator assigns consequences. Parents are notified of the consequences by either phone call, e-mail, FSACONnect, and/or notice letter sent by student. Assignments of consequences are progressive. In general, each disciplinary referral advances the student to the next step in the Major Violation Discipline Cycle and violations may have higher consequences if committed at a higher cycle step. Consequence ranges on the Major Violation Discipline Cycle cover most of the major violations. However, it cannot cover all possible examples for violating the listed offenses. Therefore, the school administration may impose consequences that are not listed if warranted by individual circumstances. **School personnel may confiscate any item that is deemed unsafe, inappropriate or hazardous to persons or property.** Offenses not covered by the Discipline Cycle are handled by the school administration in accordance with federal and state laws.

CHEATING AND PLAGIARISM

Cheating and plagiarism are deceptive choices made by students to misrepresent the student's true knowledge of the subject material (cheating) or misrepresenting information as their own ideas/concepts/words by not giving proper credit to the original source (plagiarism).

All papers or projects submitted at FSAPS are required to be in the student's own words unless stated in writing by the teacher otherwise. Therefore, any copying of information from the internet or any other source (i.e. "cutting & pasting", etc.) is considered plagiarism. However, drawings and/or pictures may be taken from an internet or other source as long as they are properly cited in the document.

Cheating and plagiarism demonstrate a deliberate disregard for the educational program and are considered a serious matter. Students who cheat or plagiarize will immediately be given a zero (0) on the assignment/project and referred to the administration using a Disciplinary Referral Form for additional disciplinary consequences.

BULLYING/HARASSMENT

Bullying and/or harassment of any student and/or staff member will not be tolerated under any circumstances, whether the actions occur on school grounds, during school times, at school functions, or NOT. To clarify, actions taken outside of school times and off school property will still be subject to school disciplinary and/or lawful actions if they constitute bullying and/or harassment of any FSAPS student and/or staff member. Such behaviors are referred to the administration using a Disciplinary Referral Form.

Bullying and/or Harassment in the Code of Conduct are defined as:

Any unwanted and/or repeated written, verbal, electronic, or physical behavior, including, but not limited to, threatening, insulting, and/or dehumanizing acts by a student that is severe and pervasive enough as to create an intimidating, hostile or offensive educational environment, cause discomfort or humiliation, or unreasonably interfere with the individual's school performance or participation. Severe and pervasive behavior will be determined by the principal.

Prohibited acts include an act of violence, threat of violence, or harassment based on actual or perceived race, color, national origin, gender, disability, sexual orientation, religion or other distinguishing characteristics of a student that is directed at one or more students and/or staff member; substantially interferes with educational opportunities or educational programs of the targeted student(s); or adversely affects the ability of a student(s) to participate in or benefit from the schools' educational programs or activities by placing that student(s) in reasonable fear of emotional or physical harm, or because the conduct as perceived by the student(s) is objectively offensive.

REMEMBER: This policy includes, but is not limited to, using social media and/or texting to harass, demean, and/or embarrass another student at ANY time as it interferes with their right to learn in a safe environment free from distractions. Name-calling, derogatory comments, and/or initiating or spreading rumors, which demean, embarrass, and/or question the personal choices of another student(s) and/or staff member are considered bullying and/or harassment.

It is a student's duty and responsibility to report any such bullying and/or harassment actions to the principal and/or assistant principal if they become aware of them and/or are witness to them. All reports will be kept confidential and investigated thoroughly.

BUS and/or SCHOOL TRANSPORTATION CONDUCT

Conduct on a school bus and/or other school transportation during field trips and/or to and from other school activities is expected to be the same as in the classroom. Any behavior that would not be permissible in the classroom is not permitted. Safety depends on the skill of the drivers and the ability to do his or her job without distractions. Students will be permitted to carry books and other items related to schoolwork which can be held in their lap. Sports equipment, animals, glass jars, and other objects that might distract the driver or jeopardize students' safety will not be transported.

Depending on a grade's specific lunch time they will receive either a morning or an afternoon snack. Lunch and snack times vary, so classroom teachers will inform parents of their student's specific time.

After-school Care

Time will be provided during the after-school care program for a late afternoon snack per schedule. If your student arrives after lunch or snack time, he/she will wait until the next meal or snack time to eat. Students are encouraged to use this time to share their experiences with each other. Manners are taught, reinforced, and practiced during this time as well.

Please list on the registration form, any food allergies your child may have. If your child needs a special diet, the parent is responsible for supplying the proper food and informing FSAPS staff in writing. If a student is consistently refusing to eat during mealtimes, parents will be informed.

CAFETERIA RULES

Students are expected to adhere to the following cafeteria rules at all times:

- Students should remain seated at all times unless they raise their hand and are given permission by an adult to leave their seat.

- If applicable, students should exit the table quietly when lining up for recess.

ALLERGY-FREE TABLE

A reserved table in the cafeteria is available for all students with food allergies. In particular no nuts are allowed in this area. This table will be wiped down separately from other cafeteria areas, too. This area is provided for their safety. All food allergies should be noted on enrollment paperwork and all teachers should be made aware of the students with these food allergies

BIRTHDAY TREATS & INVITATIONS

Students are allowed to bring in treats to celebrate their birthday during their lunch period. However, enough treats must be provided for the entire grade. The front office can provide parents with the correct number of students. Treats can be dropped off in the front office with the student’s name, period, and teacher clearly indicated on the treats. We ask that all treats include an ingredient list.

NOTE: We know that you will understand our request that party invitations not be distributed at school unless every child in the student’s entire grade is invited.

FOOD FUNDRAISERS

Periodically and/or occasionally FSAPS, school clubs, school academic teams, and/or the FSAPS PVO will offer treats, foods, and/or beverages for sale in an effort to raise money to support enrichment activities, purchase equipment, charitable endeavors, and/or school competition expenses. These events will be publicized via posters, stickers, paper notices, email, and/or the school newsletter.

Also, the school may choose to participate in outside food vendor fundraisers where a portion of the purchases raised at that vendor’s facility would be donated to the school. These events will be publicized via posters, stickers, paper notices, email, and/or the school newsletter.

These type of food purchases are 100% optional and up to the discretion of each individual student and family. Further, these purchases should not be considered replacements for nutritious school lunches or snacks.

CLASSROOM and/or SCHOOL CELEBRATION FOODS

At the end of difficult lesson units, quarters, semesters, and/or as a reward, teachers may organize and allow their students to participate in pizza, popcorn, and/or a frozen treat party. Students may be asked to bring in \$1-5 dollars depending on the size of the class to fund the OPTIONAL participation in these activities.

Occasionally students will be asked to bring in dishes to enrich a school lesson, such as Spanish food for a Spanish class. This is not mandatory, but it is fun for the students and greatly appreciated.

If homemade dishes are brought to school for a class activity, please provide a COMPLETE list of ingredients with the dish. Teachers will apprise parents of the class if there are any student food allergies. If any, it is requested that you refrain from using those ingredients in donated dishes, so that all students may be able to participate and enjoy the class activity equally.

INSTRUCTIONAL PROGRAM

PARENT/TEACHER CONFERENCES

Parents and teachers should maintain a good working relationship to help students get the best possible education. Conferences are good communication tools. Our most important form of communication is the parent-teacher conference. If you would like to have a conference with any staff member, please contact your child's teacher.

FSA CONNECT

Parents can see their children's academic improvement, daily homework and assignments, projects, discipline records, attendance records and MAP Testing progress reports through FSA Connect. Anyone can visit our website at www.fultonscienceacademy.org to receive more information. At the beginning of each school year, parents will be provided a username and password, which will provide access to ONLY their student's records. We strongly encourage parents to visit FSAConnect on a daily basis to stay informed of their student's progress.

GRADING SYSTEM & REPORTING

Students receive progress reports throughout the semester (see calendar). Final grades for core academic courses are received at the end of the semester (end of 18th week). Parents should contact their child's teacher if there are any questions concerning grades recorded or information contained on the child's report card. The FSAPS Governing Board, in compliance with State Standards, approves the grading scale. Grades are reported numerically on all progress reports and report cards. Any grade below 70 is failing.

GRADING SCALE 1st GRADE – 12th GRADE

A	=	90 - 100
B	=	80 - 89
C	=	70 - 79
F	=	69 and below
I	=	Incomplete
W	=	Withdrawal

HOMEWORK POLICY

Homework is an essential part of your successful educational program at FSAPS. Doing homework will help students develop many valuable skills such as good study habits, time management, responsibility, and perseverance. Teachers assign homework that will foster individual learning and growth and that is appropriate for the subject area. Homework is part of all students' regular evaluations. It is each student's responsibility to complete and turn in homework on time – if it is not, a grade of zero (0) will be given. In case of conflict regarding homework assignments the teacher's record is final. If students or their parents have questions about homework, immediately

contact the teacher who assigned it. Teacher's email is available and daily assignments are posted on FSACConnect at our web site: www.fultonscienceacademy.org.

PROMOTION

At the end of each academic year students who have made satisfactory progress in academic subjects are promoted to the next grade level. In cases where promotion is questionable, the school notifies parents in advance and a cooperative/partnership approach is implemented to ensure student success.

Any student, who receives an average for both semesters of 69 and below, shall fail the subject for the year. In the event that a student receives an overall failing grade in a course, the student will be required to complete a summer assignment applicable to the failed course. Students must receive a passing grade (70%) on this assignment in order to receive credit for the course and advance to the next course.

RECOGNITION

Students are recognized on a regular basis and rewarded for accomplishments. Outstanding student achievement will be recognized each semester in two distinct categories:

- Principal's Honor Roll - students achieving a weighted academic average of 95 or above in all subjects.
- Honor Roll - students achieving a weighted academic average of 90 to 94.9 in all subjects. Connection classes and core classes have different weights.

OUTSIDE RECESS & P.E. POLICY

If the temperature or wind chill (use lowest applicable) is:

- Above +32 degrees Fahrenheit, children will be allowed to go outside.
- Between 32-20 degrees Fahrenheit, outside will be an option for children.
- Below 20 degrees Fahrenheit, NO OPTION. All children will remain inside.
- Staff must use good judgment on days when the temperature or wind chill is in this range (example: shortened outside time)

Cold/Snow: Children must be properly dressed to go outside in cold weather. Coats, hats, and mittens/gloves must be worn at all times when the temperature is below 32 degrees Fahrenheit.

Heat: If the heat index is excessively high, staff will shorten or eliminate outside time. This includes heat, humidity, and air quality factors. On these days, it is best for outside time to occur prior to 11:00 am.

Lightning/Severe Weather: At the first sign of threatening weather or lightning, staff will bring children indoors to a safe area. Staff will need to monitor the situation.

GIFTED PROGRAM

The gifted program at FSAPS is designed to challenge and meet the needs of our advanced and creative student body. Gifted classes are available to students, with a curriculum designed to foster the growth of students both intellectually and socially. In recognizing each student's specific skills, interests, and needs, the faculty of FSAPS strives to guide these students towards recognizing their full potential.

Students that come to FSAPS and are currently enrolled in an equivalent gifted program will be placed into the appropriate gifted classes upon enrollment. All students will be screened for the FSAPS gifted program in the spring semester. Utilizing grades from the first quarter report card and the most recent scores from the nationally normed Measures of Academic Progress (MAP) test, students that score in the 90th percentile in reading, language arts, or mathematics will be further tested for gifted eligibility provided they have an average at or above 90% in the corresponding course(s).

If a student meets the initial eligibility criteria, they will be given the Cognitive Abilities Test (CogAT), a nationally normed exam determining a student's mental ability. If a student scores in or above the 96th percentile they will be placed in the gifted program and scheduled for gifted classes according to their performance in each subject area.

Students enrolled in the gifted program will be enrolled in gifted courses according to their performance in each subject area as determined by their average in each advanced level course as well as their performance on the relevant portion of the MAP test. Student averages and periodic MAP test scores will be reviewed at the end of each quarter when report cards are given in order to determine continued eligibility for the gifted program. Students must maintain an average of 90 or above in their gifted classes, as well as, score in the 90th percentile in the periodic MAP test to remain eligible for gifted classes. Students on academic probation are given one quarter to improve their grade and if they do not, then they are removed from the gifted class. This can result in dismissal from the gifted program, after which a single semester is required before the student becomes eligible to return.

To be eligible for the FSAPS gifted program, students must have and maintain:

- MAP score \geq 90th percentile
- Average in advanced class \geq 90%
- CogAT score \geq 96th percentile in verbal, non-verbal, quantitative, or composite score

INSTRUCTIONAL TOOLS, EQUIPMENT, & SUPPLIES

Supply Lists for grades Pre-K through 8 can be found on the website, www.fultonscienceacademy.org, under the School Life heading.

It is important that you label all of your student's personal belongings. Further, it is VERY important that you label your student's jacket, calculator, and lunch box with both their first and last names in sharpie marker as these items frequently get misplaced. Property cannot be found or returned if FSAPS is unable to identify the owner. Jackets may also be monogrammed through Lands' End.

We ask that your student does not bring to school items that are not necessary to learning and/or what is requested by the front office and/or their teachers.

FSAPS is not responsible for any lost, stolen, or broken items. If such items are brought in they will be sent to the office and must be picked up by a parent.

BOOKBAGS, PENCIL BAGS, ROLLER BAGS and PURSES

Students may use book bags to transport only school materials to and from school. During the school day, however, FSAPS requires that all book bags remain in students' lockers. Therefore make sure that the backpack or bookbag that you choose is small enough and/or can be folded to fit easily inside each locker. Roller bags are NOT ALLOWED to be used in the building unless medically necessary and proper documentation is on file.

Only handheld pencil bags are permitted – pencil bags worn on the back (or any bag worn on the back) must remain in students' lockers. Also, file wallets are permitted to be used to carry smaller supplies (they are 8.5 x 11 with a 3" gusset and a zipper).

Only handheld purses are permitted – purses worn on the back must remain in student's lockers.

CELL PHONES/ ELECTRONIC DEVICES/ OTHER ITEMS

Cell Phones: Although students are permitted to bring cell phones to school, it is not encouraged. If a student brings a cell phone to school, it may not be used inside the school building. **The cell phone must be turned off before**

entering the school building and immediately placed in the student's locker. At no time shall FSAPS be responsible for theft, loss or damage to cell phones or other electronic devices brought onto its property.

Students should check their cell phone before entering the building and make sure that it is in the "off" position.

Phones must not be in the "on" position during school hours and/or during school supervised activities.

- Students may not carry the phone with them during school hours. Cell phones must be turned off and must be in lockers during the school hours and/or activities within the school building and/or on school property unless specifically approved by an administrator or teacher.
- Students shall not use them or display them openly during regular school hours and/or school supervised activities unless specifically approved by an administrator or teacher. The policy applies to any type of use, including but not limited to making voice calls, taking pictures, emailing, listening to messages, viewing information, and texting.
- If a student is scheduled for a school supervised after school activity, including but not limited to clubs, academic teams, and tutoring, cell phones shall be kept off and unused until such activity is over unless approved by an administrator or teacher.
- Cell phones may not be used during the school day and/or afterschool activities to take photographs and/or to send or receive text messages unless approved by an administrator or teacher.
- Students found in possession of cellular telephone shall have the item confiscated and given to the school administrator. The cell phone will only be returned directly to the parent/guardian. If a parent/guardian cannot pick up confiscated items, then the items may also be shipped to a home address provided that the shipping charges are prepaid by the parent.

- Students shall not use them or display them openly during regular school hours and/or school supervised activities unless specifically approved by an administrator or teacher. The policy applies to any type of use or display, including but not limited to making voice calls, listening to, playing, taking pictures, emailing, downloading, etc. unless specifically approved by an administrator or teacher.
- If a student is scheduled for a school supervised after-school activity, including but not limited to clubs, academic teams, and tutoring, all such devices/items shall be kept off and unused until such activity is over unless specifically approved by an administrator or teacher.
- Students who are found in possession of any type of device and/or item shall have the item confiscated and given to the school administrator. The device/item will only be returned directly to the parent/guardian.

TEXTBOOKS

Textbooks for students are furnished by FSAPS. Students who owe money for lost or damaged texts or materials will be permitted to use a text during classroom instruction; however, they will not be permitted to take the text or materials home for homework purposes. Report cards may also be withheld until textbooks fees are collected.

Students who report to class without their textbook (or workbook) as required will be given a **Conduct Point for each day they do not bring their book to class**. Textbook prices are listed on our website under academics. Should the book be determined as lost, parents are expected to pay for the lost textbook/workbook the next day to avoid additional Conduct Points being assigned.

STUDENT ISSUED COMPUTERS

Students will be issued a laptop computer and charger. These items are property of FSAPS and are on loan to the student for the current school year. Computers must be used in accordance with the FSAPS Student Issued Computer Policies and Procedures, Technology Acceptable Use Policy and any applicable laws. If these items are damaged or lost, you will be responsible for all replacement costs. Each student issued computer will be inventoried and tagged for tracking purposes.

LOCKERS

Students in grades 6 through 12 will be assigned a locker for his/her individual use at FSAPS. This locker is for storing books, coats, and personal items necessary for school. Students should not bring valuable items from home. FSAPS will not be liable for personal items you leave in your locker or bring to school with you. Please remember that your locker is school property and remains at all times under the control of the school.

Students are provided a lock for their locker. It is the student's responsibility to use and maintain their lock. If a student misplaces their locker lock, the cost will be \$20.

- Lockers must be kept neat at all times.
- Due to the small size of FSA's lockers, book bags must be small enough to fit within the locker - extra large book bags are not advised.
- To keep your school items safe, we strongly advise you to keep your locker combination and space private.
- It is your responsibility to see that your locker is kept locked and in order at all times. Students have full responsibility for the security of your locker and what is in it.
- Do not trade lockers with another student.
- Do not let another student share your locker.

You should report any damage, vandalism or the inoperable condition of your locker to the office. If you do not report vandalism, damage or the inoperable condition of your locker, you will be held responsible for it.

No item considered dangerous by the administration may be kept in the lockers and will be removed if found there. This includes glass or any other objects that may be potentially dangerous.

Students are issued a locker lock. The lock will be turned in at the end of the school year. Students are responsible for keeping up with their locker lock. If the locker lock is lost and needs to be replaced, there will be a fee of \$20.

IMPORTANT: Students attending FSAPS should not expect privacy in regard to the contents of their lockers, desks, or other school property. Be aware that school officials and/or law enforcement may make inspections at any time.

LOST and FOUND

Lost and Found is located inside the cafeteria. Personal items that are found are placed in the Lost and Found, unless the item has significant value. Items with significant value are turned in to the front office. Unclaimed items will be donated to charity every month after parents are informed about the deadlines to check lost and found items.

SCHOOL SERVICES

The Media Center is a resource center for all print and non-print materials. Media Center services offered to students include assistance with research assignments and book selections. Students must comply with all Media Center rules, including but not limited to, no games on the computers and computers need to be used for research assignments only. Repeated violations of Media Center rules may result in losing Media Center privileges.

SCHOOL PICTURES

A contracted photographer will photograph students in the school during the fall and spring semesters. Parents may purchase the entire package of photos or a partial packet.

TUTORING

FSAPS offers free tutoring. Tutoring is offered to insure student success. Additionally, special test preparation, such as SAT prep, and/or specialized educational classes may be offered for an additional fee.

ENRICHMENT ACTIVITIES and PROGRAMS

FIELD TRIPS

Field Trips offer exciting ways to learn. FSAPS students will have the opportunity to go on field trips at various times throughout the school year. Grade level and/or team sponsored day field trips are offered to most students.

Students who have received 3 days of ISS or an out-of-school suspension (OSS) during the school year, will not be eligible to participate in any overnight or small group field trips for the rest of the school year and any fees or deposits paid earlier are non-refundable. Only students exhibiting exemplary behavior throughout the school year will be considered for International field trips. In addition, any student who has demonstrated the inability to follow rules may be prohibited from participating - this determination will be made by the administration on an individual basis. Any fees or deposits paid earlier are non-refundable. For all field trips, you will be expected to follow these rules:

- You must abide by the FSAPS Code of Conduct and Discipline Plan while on the field trip.
- You must follow the FSAPS Dress Code, wearing the “red and khaki” uniform unless otherwise specified.

NOTE: FSAPS After school Care Students DO NOT engage in field trips or activities transportation would be required.

AFTER SCHOOL CLUBS & ACTIVITIES

Extracurricular clubs and/or enrichment activities are offered for the students. Nominal fees may be charged for participation in order to cover the cost of materials and/or supplies. There is no better way for students to enrich their education than by taking part in clubs and after-school activities or through working with a teacher. These opportunities will allow you to explore things you already enjoy and to try other areas that sound interesting.

In order to participate in any after school extra-curricular activity, including music performances, plays, etc., students must arrive in time to be counted present during the school day. Students serving in-school suspension may not participate in after school activities on the day(s) the suspension(s) is served. Students staying for after school activities will be expected to adhere to the following rules or they may be banned from all after school activities:

- You may not stay after school to wait for another student.
- You must be with a teacher or other staff member at all times.
- You must abide by the FSAPS Code of Conduct while participating in the activity.
- Your school activity privileges will be cancelled if discipline becomes a problem.
- You must clear the school building immediately following after school activities by using the front door.
- You must arrange for your own transportation to arrive promptly at the end of the activity.

Signing up for after school activities is required during Orientation and may be changed using a Club Change Form at any time.

ACADEMIC TEAMS

FSAPS has many academic competitive teams, including, but not limited to Science Olympiad, Model U.N., Tech Fair, Robotics, Lego League, Chess Team, Math Team, etc. Participation is open to students in grades K through 12. Participation is governed by the same rules as listed above for after school clubs and activities.

ACADEMIC TEAM, AFTER SCHOOL CLUB & ATHLETIC ELIGIBILITY POLICY

FSA recognizes that extracurricular activities are an important part of our educational system and that they enhance the development and growth of our students. However, FSA also recognizes that our primary mission is academic achievement.

Students will not be allowed to participate in activities on the days they have been assigned to in-school suspension. There should be no adjustments made in the assignment of suspension days to allow a student to participate in any activities. Students who receive an Out of School Suspension or accumulate three days of In School Suspension over the course of the year will be terminated from the athletic and academic team. In order to participate in athletic activities, a student must be present for at least half of the school day (3 periods or more).

Class work is a priority. Students are expected to remain in good academic standing in all of their classes. Unexcused missing assignments and/or a failing average for a class (below 70) will prevent a student from competing in a tournament. A student who fails more than one class in a semester grading period will be ineligible to participate in all athletic activities the following semester. Eligibility is determined at the end of each semester grading period when the report cards are available. All 9th grade students will start with a "clean slate." Eligibility for 9th graders will be determined after the first semester. The Counseling Office will provide staff with a list of those who are ineligible. The coach/advisor will notify those extracurricular participants who are ineligible. Students who successfully complete summer school to maintain eligibility become eligible the last day of summer school.

SCHOOL SPONSORED ACTIVITIES ELIGIBILITY & DISCIPLINE

FSAPS administration organizes and/or sponsors both on and off-campus activities. Unless otherwise specified by the administration, all school rules are in effect in any such school organized and/or sponsored activity. Eligibility to

participate in such programs and any additional specific policies will be determined and announced by the administration as needed.

BEFORE AND AFTER SCHOOL CARE PROGRAM

The Before School Care Program is established to accommodate parents who need to drop their students off at school between 7:00 AM and 7:30 AM. Do not leave your student before 7:00 AM, as there will be no supervision. FSAPS Code of Conduct and Discipline Plan will govern student behavior at all times during After School Care. Students will be hosted under the supervision of an adult and will be able to read, study, and do homework during this time.

The After School Care Program is established to accommodate parents who cannot pick up their students by the end of the school day. The FSAPS Code of Conduct and Discipline Plan will govern student behavior at all times during After School Care. Students will be hosted under the supervision of an adult and will be able to read, study, and do homework during this time. The fee for after school care is as follows:

- **After 6:00PM, the fee will be an extra \$1.00 per minute.**

NOTE: FSAPS After-school Care Students DO NOT engage in field trips and/or activities where transportation would be required.

COMMUNICATION TOOLS

Every effort will be made to ensure good communication between the home and the school. Parents may communicate directly with the school's staff members via e-mail, voice mail, written request, or by accessing the school's web page. A soft copy of the newsletter will be sent home weekly via email announcing upcoming school activities and events.

CONFERENCES

Parents and teachers should maintain a good working relationship to help students get the best possible education. Conferences are good communication tools. Our most important form of communication is the parent-teacher conference. If you would like to have a conference with any staff member, please contact your child's teacher and arrangements will be made.

ANNOUNCEMENTS

Official announcements are provided on our website www.fultonscienceacademy.org and in our weekly newsletter. As a common practice, announcements made by the administration, which affect the school community, are made through these two communication devices. FSAPS encourages parent(s)/guardian(s) to check our website on a regular (daily) basis. The Governing Board, Administration, Teachers and Staff at FSAPS are dedicated to keeping our community informed.

FSACConnect

Parents can see their children's academic improvement, daily homework and assignments, projects, discipline records, attendance records and MAP Testing reports through FSACConnect. Anyone can visit our website at www.fultonscienceacademy.org to receive more information. At the beginning of each school year, parents will be

provided a username and password, which will provide access to ONLY their student's records. We strongly encourage parents to visit FSACconnect on a daily basis to stay informed of their student's progress.

TELEPHONE CALLS

Students may not be called from class to talk on the telephone during school hours, nor are they allowed to make outgoing calls except in the most necessary circumstances. As part of an effort to teach responsibility, students are discouraged from calling home for forgotten items.

Students may not use any phone at school other than an office phone – classroom phones are prohibited from use by students at any time. The school does not have sufficient phone lines to accommodate student phone calls at the end of the school day. All arrangements regarding after school activities must be made before the student leaves home in the morning. Calls of an emergency nature, that may involve the interruption of a class to deliver a message to a child, must be directed to the principal or assistant principal for approval.

Students must have written permission from an administrator stating a reason in order to use the office phones. We ask that all students please come to school in the morning clearly knowing their plans for transportation in the afternoon. We also ask that parents please know whether or not their children are planning to stay for an after-school activity.

SAFETY and EMERGENCY POLICIES & PROCEDURES

VISITORS

FSAPS welcomes you to visit the school at any time and wants you to feel free to ask questions.

All visitors must first report to and sign in at the main office and wear a visitor's badge before going to other parts of the building. **All visitors MUST show their ID card at dismissal.**

STUDENT HALL PASSES

All students in the hall, while classes are in session, must carry a hall pass with them. Teachers will issue hall passes to students who have justifiable reasons for leaving the room. Regardless of the reason issued, hall passes are only valid for a maximum time period of five (5) minutes out of the room.

RECORDING DEVICES – AUDIO or VIDEO

FSAPS prohibits the use of audio and/or video recording equipment by anyone other than FSAPS staff or personnel on the FSAPS campus, within the school building, or at school sponsored events (on or off campus) without express written permission from the FSAPS Administration. Students found in violation will have their recording device confiscated, and be given a Disciplinary Referral Form for unauthorized recording. Parents or non-FSAPS personnel found in violation will immediately be required to leave - if uncooperative, appropriate law enforcement authorities will be contacted to have them removed from the premises.

VIDEO OR AUDIO SURVEILLANCE

FSAPS may use video or audio surveillance to monitor halls, classrooms and common areas, to ensure student and faculty safety. Additionally, this video or audio surveillance may be used for evidence in disciplinary situations, as well as remote viewing or monitoring of various school activities, school entrances and school parking areas. All recorded images are the property of the school. The only personnel who may view the videotapes or digital files in the school are the principal and/or designee in the performance of their duties. Parents may request a viewing if any recording is used as evidence in a discipline case. Viewing requests by parents may be refused or limited where viewing would be an unreasonable invasion of a third party's personal privacy, would give rise to a concern for a third party's safety, or on any other grounds recognized in the Privacy Act. No other request of viewing may be honored. Approved viewings must be done in the presence of principal or designee.

MAINTAINING UPDATED FAMILY INFORMATION

It is the responsibility of parents to notify the school of any changes in employment, address, phone numbers, care and/or custody arrangements, and any other important information regarding their child or family situation. All aforementioned informational changes must be completed in writing and submitted the front office.

Please, also, consult with school personnel should any problems arise concerning your child, whether at home, school, or at FSAPS.

EMERGENCY DRILLS

Regular emergency preparedness drills will be held throughout the school year so that students will be trained to act properly in an emergency. These drills will include fire, tornado, and other crisis emergency drills. A comprehensive emergency preparedness plan is on file in the office and may be fully viewed on our FSACconnect website.

EMERGENCY POLICIES & PROCEDURES

Fulton Science Academy Private School has a complete Emergency Preparedness Plan. It may be fully viewed on our FSACconnect website.

Some of the more common emergency procedures and/or drills are outlined below:

During an Emergency

Fire, intruder, and tornado drills are held at different intervals throughout the school year. Students must follow their teachers' instructions and go to designated areas as quickly as possible. Students must not talk, run or push. A signal bell or announcement will be given for returning to class.

Fire: There are multiple fire extinguishers located throughout the school. The entire building is protected by an overhead sprinkler system. If there is a fire the children will be immediately evacuated from the building and 911 notified. We will practice monthly fire drills, so our students will be prepared in the event of a fire. The fire evacuation plan is posted in each classroom, including the cafeteria, library, restrooms, gym and offices.

Tornado: In the event of a tornado warning, the children will exit their classrooms to the hallway. Students will take the appropriate position to protect their heads. Students and staff will remain there until the inclement weather has passed and it is safe to return to their classroom. Tornado drills will also be practiced annually so the children will be prepared in the event of a tornado. The tornado drill plan is posted in each classroom, including the cafeteria, library, restrooms, gym and offices.

Power Outage: There are flashlights located in all classrooms, the kitchen, and offices. If the weather is inclement, and the school is getting too cold or too hot for the children, parents will be called to pick-up their child. If power is out before opening the school, FSAPS reserves the right to close the school or delay its opening until power is restored.

Evacuation for *other utility or gas leaks* will follow the same procedures as that for fire. If the school needs to be closed due to an emergency of this nature then the procedures for contacting parents will be the same as that for closing early due to inclement weather, while students are cared for at a safe location.

Medical Emergencies: Although supervision is constantly given, FSAPS staff cannot prevent all falls, tripping, bumps, bruises, etc. If a student is injured in a non-threatening way, FSAPS staff will assess the student's injury and provide necessary first aid. If the injury is more serious, the parent will be notified so that the student can be transported to the hospital or doctor's office (i.e. needs stitches, broken bone, dislocation, etc.). If a parent or emergency contact is not available, a student that needs medical attention will be transported via ambulance to the nearest hospital (along with their parent's signed consent to provide medical care form.

All costs associated with injuries to the student will be the responsibility of the parent, unless FSAPS is found to be negligent. If immediate intervention is required, a staff member that is certified in Child CPR/First Aid, will take appropriate action, including calling 911, and having the student transported to the hospital if necessary. The student's insurance and/or their parents and/or guardian are responsible for the cost of medical help or treatment due to accidents or illness while in school. FSAPS does not provide health insurance for enrolled children.

Intruder or Suspicious Person: A suspicious person is any unauthorized person on school premises. If an intruder is observed, staff members should call or escort the stranger to the main office. If an intruder is in a classroom, send a student to the office for help or use the intercom system.

Procedures:

If a suspicious person is observed:

- Obtain as many details of the individual as possible to include specific location and description i.e. sex, race, height, clothing, location, etc.
- Contact the Principal.
- Call 911, if necessary.
- Activate the School Safety Team according to the instructions of the Principal.

CHILD ABUSE POLICY

GA Law (O.C.G.A § 19-7-5) states that all teachers and/or volunteers are mandated to report child abuse. The list includes volunteers for clubs, summer camps, and/or team sports and/or parents who chaperone a field trip. Violators of the reporting mandate can be charged with a misdemeanor and face up to a year in jail and a \$1,000 fine.

FSAPS will notify all school volunteers that they must report any suspected child abuse to the Department of Family and Children Services or face legal charges. FSAPS provides a code of conduct so that volunteers can read and understand best practices before they begin to volunteer.

Regarding liability, the law clearly states that there are no legal consequences for any child abuse report made in "Good Faith;" however, failure to report when you suspect that a child is being abused can be considered a

misdemeanor in Georgia. Once a report is received, all allegations are thoroughly investigated by the appropriate agency or department.

All students are required to share their passwords with their parents. Our school administration is always able to check student email accounts when asked, or if necessary.

Through these email addresses, students will be able to receive important school-related emails. Examples include our weekly school newsletter, daily announcements, daily FSACONnect e-mails, and communication from their teachers and fellow students in a much faster and more efficient manner.

PARENT PARTNERS

INVOLVEMENT

Parental involvement is an important part of our program. Parents and students working together with staff members is an important element in a quality school program. Visitation is encouraged by parents and other interested parties who wish to visit the site. A solid relationship with the FSAPS teachers and staff is built on mutual trust and respect and is key in making your student's school experience work well for everyone.

Also, there are a number of opportunities and events at FSAPS where a parent can volunteer. Please contact the FSAPS Parent Volunteer Organization (PVO) for a list of involvement opportunities.

If parents plan on consistently volunteering on a regular basis for more than hour at a time, they need to complete a criminal background check and submit it to the school. Please note that this does not apply to attending school events.

Keep these general tips in mind as you begin to build your relationship with FSAPS:

- Keep the lines of communication open at all times. Let your teacher know if there is something going on in your child's life that may affect behavior and/or school performance.
- Be aware of program policies and honor them. Respect drop-off and pick-up times, policies, and procedures.
- Get involved with the program. The more you participate, the more comfortable and confident in the school programs you will be.

**We desire to build positive relationships with all our families. Visit us whenever you can –
You are always welcome!!**

SCHOOL VISITATION AND SCHEDULED OBSERVATION

FSAPS values the concept of parents as partners in education. Parent and community support and assistance are vital in all facets of the school program. Parents of currently enrolled students or prospective students may wish to observe the classroom setting or perhaps volunteer to serve as an instructional partner in the classroom. While custodial parents of attending students are always permitted access to all student areas of our school as long as they have made their presence known to the administration, interruption of classroom instruction is prohibited.

Note: Actual classroom observations during regular school day instructional hours must be scheduled to minimize disruption to all students and maintain the integrity of class lessons are limited to one per semester.

Also, impromptu conversations and/or discussions with teachers about students are prohibited in order to maintain school schedules and teacher planning times unless they are initiated by the teacher themselves. Parents should schedule conferences with the teacher to discuss issues and/or student concerns.

GENERAL PARENT/GUARDIAN RESPONSIBILITIES:

- Contact FSAPS if your child will not be attending class on any given day.
- Notify FSAPS in advance if anyone other than the parent or guardian will pick the student up. Note: These individuals must be listed on the emergency contact form.
