### **The Coder School**

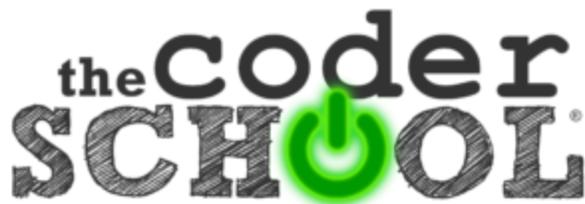

**( 1st-2nd grade Mondays 3:45-4:45pm, 3rd-5th grade Wednesdays 3:45-4:45pm)**

At The Coder School, we want to do more than just teach coding. We want aspiring coders to use their new found passion as a stepping stone to thinking outside the box, as a way to channel their ideas in a creative way and most importantly, to have fun. Our core business is our weekly after-school programs, run throughout the year. Coding takes practice, and we believe getting kids to code consistently throughout the year is

the only way they'll really learn to code!

Our programs are for students at all skill levels, ages 7-18, and progress through a broad array of languages from Scratch to Python, Javascript, Java and much more.

\$379 per semester

### **Ivy Bridge Debate**

**(3rd-5th grade Thursdays 3:15-4:30)**

Ivy Bridge Academy's After-School Public Speaking & Debate program offers a chance for students to learn and engage with current events through the activity of Debate. Students enhance their research skills, critical thinking, organizational skills, persuasion tactics, and information processing by learning about both sides of an issue and being able to persuasively argue for either side. Students who participate in our program will leave with a sense of accomplishment, newfound confidence, and a skill set that will help them through the rest of their schooling and even into adulthood. A main focus will be on creating and delivering persuasive speeches in front of their peers.

\$300 Fall Semester, \$300 Spring Semester (priced by # of classes) Beginning Sept 2, 2021

### **Hands on Music**

**(Pk-2nd Thursdays 3:15-4:15pm)**

For families who feel that their child may not be ready to begin private lessons, Hands-On Music provides a fun setting to develop music-reading, interval ear-training, motor skills, and etiquette necessary for ensemble music. This club is an ideal springboard for young students with an interest in music, who have not yet begun an instrument.

\$22 per class plus \$40 registration fee <https://www.southernartmusic.com/registration>

### **Private Lessons**

(All ages)

We believe that music is integral to a complete education as well as personal development. Southern Art Music aims to educate musically and assist in the development of interpersonal skills while preserving Art Music and Folk Music Traditions through education.

Musical study has also been shown to benefit memory, spatial learning, verbal memory, and literacy. Lessons begin at Elementary dismissal and last for 30 minutes.

Lessons are billed via autopay on the 30th of each month for all sessions in the upcoming month.

\$50 semester registration, \$3.00 App Fee

(\$75 registration for full school year)
