

2020 Focus on Oshkosh

has a few **Wisconsin Traditional** meals planned for our **out of state** guests.

Starting on Monday evening, beginning at 5:00 pm, a Sparnfarkle, commonly called a pig roast. You will receive a tender roast pork sandwich, with homemade potato salad, brown sugar baked beans, served with a Carolina BBQ sauce, along with a special dessert. This event will be held at Brayton Acres, located 4 miles from the EAA grounds, at 4057 Fisk Avenue. A great Model A drive in the evening to enjoy the beautiful farm setting just west of Highway 41. The meal will be served in their recently restored farm building with seating for all. There's a large bar area where you can enjoy socializing with your friends. Speaking of enjoyment, they have Wisconsin beers available, along with another great tradition, the Wisconsin famous "Brandy Old Fashion" and then on Thursday evening, beginning at 5:00pm. Another traditional meal, the "fish fry". This is an old Friday night tradition when many Catholics could not eat meat on Friday, thus many went out to local taverns for fish. This will be held in a small town just 10 miles from the host hotel in a village called Van Dyne. They have a park maintained by the local Lions Club. A pleasant evening drive for Model A's to enjoy. The meal will be served in the park pavilion, in a quite small town setting. It's at the intersection of County road RR and Lone Elm Avenue. Your meal will include deep fried baby walleye pike, served with potato salad, rye bread, and Cole slaw. There will be a free will bar available to socialize with your old friends, and we hope by now a few new friends. Again, speaking of enjoyment, they have Wisconsin beers available, along with that great refreshment, the Wisconsin famous "Brandy Old Fashion".
