

Creating a New Zoom Account

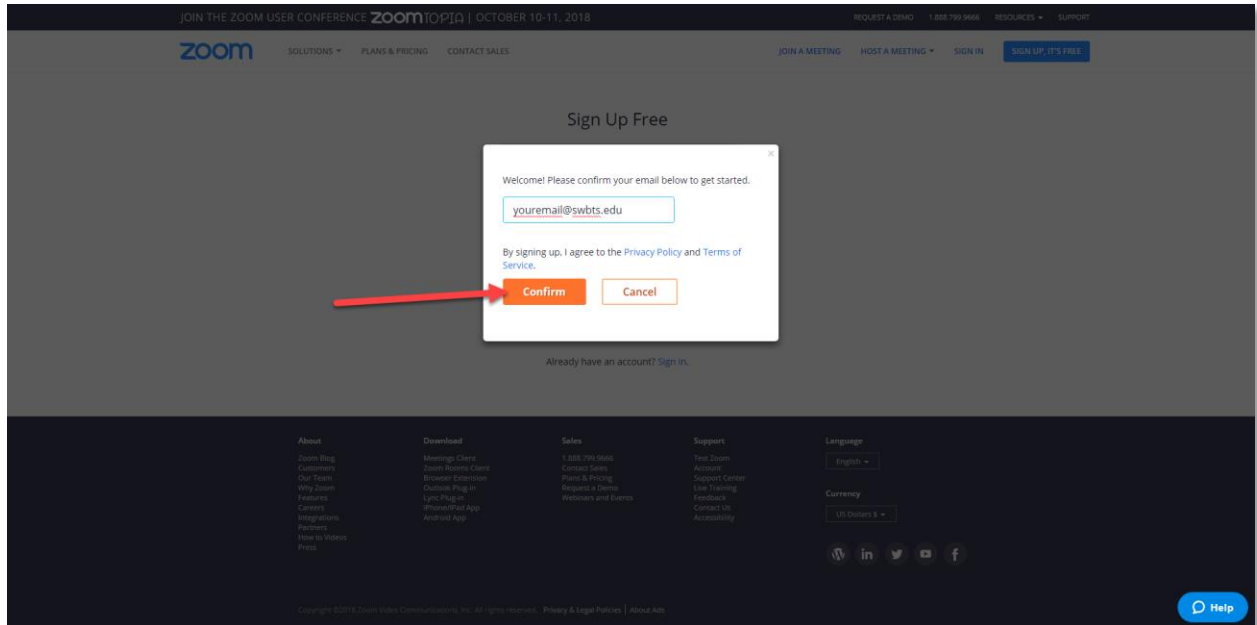

1. Open your web browser and navigate to <https://zoom.us/>
2. In the upper right-hand side of the page, click the blue button labeled **Sign Up, It's Free**.

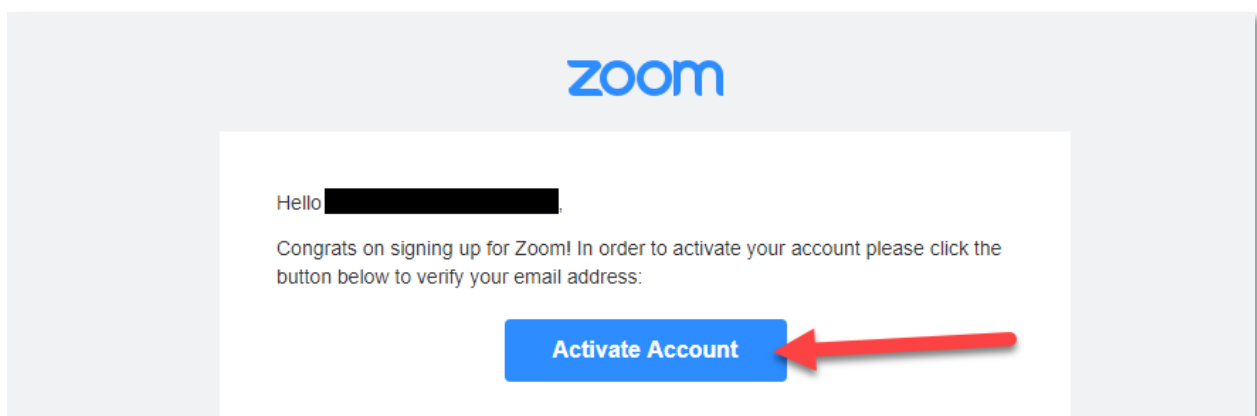

3. On the next page, enter the email address you would like associated with your Zoom account and click the blue **Sign Up** button.

4. A box will pop up asking you to confirm your email address. Confirm that your email is entered correctly and click the orange **Confirm** button.

5. You should receive an email shortly to the email address that you entered. Once received, open it and click the **Activate Account** button.

6. You will be redirected to the Zoom website where you will be asked to enter your First Name, Last Name, and choose a password for your account. Once you've entered your information, click the orange **Continue** button.
