

2020

Canadian Statistics Student Conference

The 8th Annual Canadian Statistics Student Conference

Saturday, May 30th 2020
at Carleton University

Please join us at this annual conference, organized by students, for students!

CSSC is a great opportunity to showcase your work.

Some features include:

- Keynote speaker:
Dr. David Haziza
- Skills session and a computational workshop
- Networking lunch and much more!

Registration and abstract submission will open in January 2020.
