

June 2020 Committee Meeting Minutes

Meeting was brought to order at 7:00pm by the president.

First order of business was to review the minutes from last month. This was done and the minutes were passed.

Second order of business was the Treasury report from the Treasurer. The balance is \$7708.46. For details please see or ask the Treasurer.

Range Masters report. Prepping for Saturday's work party, and continuing to spray the poison oak on the property.

Old Business. For those who normally volunteer for the fourth of July Wamic Community Days the event has been canceled. The Dalles parks and rec also have canceled all of their summer activities. Those who would have volunteered for these activities for kids **Thank-you.**

The sale of the bow has been tentatively sold.

New Business. It was proposed and passed that the club hold a 3-D shoot the 27th and 28th of June. Precautions for the virus and social distancing will still apply. Come and have some fun. Most important the Cook Shack will be open.

There was another proposal for club members only, and that was to create a fun shoot on Saturdays for a couple of hours. The idea was to shoot some games such a 5 spot and others. Some questions that came from the discussion, would members be willing to pay for the targets for these games if the event was free. Who would organize such an event? The proposal has been tabled for in hopes of getting more information.

A discussion of who and what material would be needed for the work day on the range.

It was also discussed as to why the clubs financials was posted. As Secretary I felt obligated to report information from the meeting to the club members. However, it is public knowledge. So here is what I'll do. The finances will get published as you see it today and will only go to members via email. I will not post it on the website. If you have the need or desire to know more about the clubs finances please come to the business meeting, or talk to the treasurer.

Celilo Bowmen Secretary
Gary Hesselink
