Under the Israeli Companies Law, 5759-1999 (the "Companies Law"), a company may not exculpate an office holder from liability for a breach of a fiduciary duty. An Israeli company may exculpate an office holder in advance from liability to the company, in whole or in part, for damages caused to the company as a result of a breach of duty of care but only if a provision authorizing such exculpation is included in its articles of association. The purpose of this 2017 Equity-Based
Incentive Plan (as may be amended, the "Plan") is to afford an incentive to
employees, directors, officers, consultants,
advisors, and any other person or entity whose services are considered valuable to Anchiano

Therapeutics Ltd., an Israeli company (the "Company"), or any Affiliate of the Company, which now exists or hereafter is organized or acquired by the Company, to increase their efforts on behalf of the Company or an Affiliate and to promote the success of the Company's business, by providing them with opportunities to acquire a proprietary interest in the Company by the issuance of Ordinary Shares of the Company, and by the grant of options to purchase Shares and awards of restricted Shares ("Restricted Shares"), Restricted Share Units ("RSUs") and other Share-based Awards pursuant to the Plan.

1.2. Types of Awards. The Plan is intended to enable the Company to issue Awards under varying tax regimes, including:

(i) pursuant and subject to the provisions of Section 102, and all regulations and interpretations adopted thereunder, including the Income Tax Rules (Tax Benefits in Stock Issuance to Employees) 5763-2003 (the "Rules") or such other rules published by the Israeli Income Tax Authorities (the "ITA") (such Awards, "102 Awards"). 102 Awards may either be granted to a Trustee or without a trustee;

(ii) pursuant to Section 3(i) of the Ordinance (such Awards, "3(i) Awards");

(iii) Incentive Stock Options within the meaning of Section 422 of the Code, or the corresponding provision of any subsequently enacted United States federal tax statute, as amended from time to time, to be granted to Participants who are deemed to be residents of the U.S. for purposes of taxation;

(iv) Nonqualified Stock Options to be granted to Participants who are deemed to be residents of the U.S. for purposes of taxation; and

(v) other stock-based Awards pursuant to Section 13 hereof.

In addition to the issuance of Awards under the relevant tax regimes in the United States of America and the State of Israel, the Plan contemplates issuances to Participants in other jurisdictions with respect to which the Committee is empowered to make the requisite adjustments in the Plan and set forth

the relevant conditions in the Company's agreement with the Participant in order to comply with the requirements of the tax regimes in any such jurisdictions.

1.3. Construction. To the extent any provision herein conflict with the conditions of any relevant tax law or regulation which are relied upon for tax relief in respect of a particular Award to a Participant, the provisions of such law or regulation shall prevail over those of the Plan, and the Committee is empowered hereunder to interpret and enforce the said prevailing provisions.

8.5. Approval. The status of any ISO Shares shall be subject to approval of the Plan by the Company's shareholders, for the purposes of qualifying the Plan with respect to the issuance of ISO Shares, and such approval to be provided 12 months before or after the date of adoption of the Plan by the Board of Directors.

8.6. Exercise Following Termination. Notwithstanding anything else in this Plan to the contrary, Incentive Stock Options that are not exercised within three (3) months following termination of a Participant's employment in the Company or its Parent or Subsidiary corporations, or within one year in case of termination of Participant's employment in the Company or its Parent or Subsidiary corporations due to a Disability (within the meaning of section 22(e)(3) of the Code), shall be deemed to be Nonqualified Stock Options.

Any Option Agreement providing for the grant of Incentive Stock Options shall indicate that adjustments made pursuant to the Plan with respect to Incentive Stock Options could constitute a "modification" of such Incentive Stock Options (as that term is defined in Section 424(h) of the Code) or could cause adverse tax consequences for the holder of such Incentive Stock Options and that the holder should consult with his or her tax advisor regarding the consequences of such "modification"; on his or her income tax treatment with respect to the Incentive Stock Option.

A "Disqualifying Disposition" is any disposition (including any sale) of such ISO Shares before the later of (i) two years after the date the Participant was granted the Incentive Stock Option, or (ii) one year after the date the Participant acquired Shares by exercising the Incentive Stock Option. If the Participant dies before such ISO Shares are sold, these holding period requirements do not apply and no disposition of the ISO Shares will be deemed a Disqualifying Disposition.

9. 102 OPTION AWARDS.

9.1. Options granted pursuant to this Section 9 are intended to be granted pursuant to Section 102 pursuant to either (a) Section 102(b)(2) and 102(b)(3) thereof under the capital gains track ("102 Capital Gains Track"); or (b) Section 102(b)(1) thereof as ordinary income track ("102

Ordinary Income Track, and together with 102 Capital Gains Track, and 102 Trustee Tracks). Options granted under the 102 Trustee Tracks (and 102 Trustee Options) shall be granted subject to the following special terms and conditions contained in this Section 9, the general terms and conditions specified in Section 6 hereof and other provisions of the Plan, except for any provisions of the Plan applying to Options under different tax laws or regulations.

9.2. The Company may grant only one type of 102 Trustee Option at any given time to all Participants who are to be granted 102 Trustee Options pursuant to this Plan, and shall file an election with the ITA regarding the type of 102 Trustee Option it elects to grant before the date of grant of any 102 Trustee Options (the "Election"). Such Election shall also apply to any bonus shares received by any Participant as a result of holding the 102 Trustee Options. The Company may change the type of 102 Trustee Option that it elects to grant only after the passage of at least 12 months from the end of the year in which the first grant was made in accordance with the previous Election, or as otherwise provided by Applicable Law. Any Election shall not prevent the Company from granting Options pursuant to Section 102(c) of the Ordinance without a Trustee ("102 Non-Trustee Track"; or "102 Non-Trustee Options").

9.3. Each 102 Trustee Option will be deemed granted on the date such Option was approved by the Committee, provided that (i) the Company has provided all applicable documents to the Trustee in accordance with the guidelines published by the ITA and (ii) the Participant has signed all documents required pursuant to Applicable Law and under the Plan.

9.4. Each 102 Trustee Option, each Share issued pursuant to the exercise of any 102 Trustee Option, and any rights granted thereunder, including, without limitation, bonus shares, shall be allotted and issued to and registered in the name of the Trustee and shall be held in trust for the benefit of the Participant for a period of not less than the requisite period prescribed by the Ordinance and the Rules or such longer period as set by the Committee ("Required Holding Period"). In the event that the requirements under Section 102 to qualify an Option as a 102 Trustee Option are not met, then the Option may be treated as a 102 Non-Trustee Option, all in accordance

with the provisions of Section 102 and the Rules. After termination of the Required Holding Period, the Trustee may release such 102 Trustee Option and any such Shares, provided that (i) the Trustee has received an acknowledgment from the ITA that the Participant has paid any applicable taxes due pursuant to the Ordinance or (ii) the Trustee and/or the Company and/or its Affiliate withholds any applicable taxes due pursuant to the Ordinance arising from the 102 Trustee Options and/or any Shares allotted or issued upon exercise of such 102 Trustee Options. The Trustee shall not release any 102 Trustee Options or Shares issued upon exercise thereof prior to the payment in full of the Participant's tax liabilities arising from such 102 Trustee Options and/or Shares or the withholding referred to in (ii) above.

9.5. Each 102 Trustee Option shall be subject to the relevant terms of the Ordinance and the Rules, which shall be deemed an integral part of the 102 Trustee Option and shall prevail over any term contained in the Plan or Option Agreement that is not consistent therewith. Any provision of the Ordinance, the Rules and any approvals by the Income Tax Commissioner not expressly specified in this Plan or an Option Agreement that, as determined by the Committee, are necessary to receive or maintain any tax benefit pursuant to Section 102 shall be binding on the Participant. Each Participant granted a 102 Trustee Option shall comply with the Ordinance and the terms and conditions of the Trust Agreement entered into between the Company and the Trustee. Each Participant agrees to execute any and all documents that the Company and/or its Affiliates and/or the Trustee may reasonably determine to be necessary in order to comply with the Ordinance and the Rules.

With respect to 102 Trustee Awards, to the extent the Shares are listed on any established stock exchange or a national market system, the provisions of Section 102(b)(3) of the Ordinance will apply with respect to the Israeli tax rate applicable to such Awards.

9.6. During the Required Holding Period, each Participant shall not release from trust or sell, assign, transfer or give as collateral, the Shares issuable upon the exercise of a 102 Trustee Option and/or any securities issued or distributed with respect thereto, until the expiration of the Required Holding Period. Notwithstanding the above, if any such sale or release occurs during the Required Holding Period it will result in adverse tax consequences to the Participant under Section 102 and the Rules, which shall apply to and shall be borne solely by such Participant. Subject to the foregoing, the Trustee may, pursuant to a written request from a Participant, release and transfer such Shares to a designated third party, provided that both of the following conditions have been fulfilled prior to such release or transfer: (i) payment has been made to the ITA of all taxes required to be paid upon the release and transfer of the Shares, and confirmation of such payment has been received by the Trustee; and (ii) the Trustee has received written confirmation from the Company that all requirements for such release and transfer have been fulfilled according to the terms of the Company's corporate documents, the Plan, the relevant Option Agreement and any Applicable Law.

14. EFFECT OF CERTAIN CHANGES.

14.1. General. In the event of a subdivision of the outstanding share capital of the Company, a recapitalization, a reorganization (which may include a combination or exchange of shares), a consolidation, a stock split, a reverse stock split, a spin-off or other corporate divestiture or division, a reclassification or other similar occurrence, the Committee shall make such adjustments as determined by it to be appropriate in order to adjust (i) the number of Shares available for grants of Awards, (ii) the number of Shares covered by outstanding Awards, and (iii) the exercise price per Share covered by any Award; provided, however, that any fractional Shares resulting from such adjustment shall be rounded down to the nearest whole Share, and the Company shall have no obligation to make any cash or other payment with respect to such fractional Shares, and provided that in any event the exercise price shall not be less than NIS 0.10 (or equivalent in other currency) or such other minimum exercise price as determined under applicable law and/or by a competent authority and/or by the Tel Aviv Stock Exchange Ltd.

14.2. Merger and Sale of Company. In the event of (i) a sale of all or substantially all of the assets of the Company; or (ii) a sale (including an exchange) of all or substantially all of the shares of the Company, or an acquisition by a shareholder of the Company or by an Affiliate of such shareholder, of all of the shares of the Company held by other shareholders or by other shareholders who are not Affiliated with such acquiring party; (iii) a merger, consolidation, amalgamation or like transaction of the Company with or into another corporation; (iv) a scheme or arrangement for the purpose of effecting such sale, merger or amalgamation; or (v) such other transaction or set of circumstances that is determined by the Committee, in its discretion, to be a transaction having a similar effect (all such transactions being herein referred to as a "Merger/Sale"), then, without the Participant's consent and action and without any prior notice requirement:

14.2.1. Unless otherwise determined by the Board in its sole and absolute discretion, any Award then outstanding shall be assumed or an equivalent Award shall be substituted by such successor corporation of the Merger/Sale or any Parent or Affiliate thereof as determined by the Board in its discretion (the "Successor Corporation"), under substantially the same terms as the Award. For the purposes of this Section 14.2.1, the Award shall be considered assumed if, following a Merger/Sale, the Award confers on the holder thereof the right to purchase or receive, for each Share underlying an Award immediately prior to the Merger/Sale, either (i) the consideration (whether stock, cash, or other securities or property) distributed to or received by holders of Shares in the Merger/Sale for each Share held on the effective date of the Merger/Sale (and if holders were offered a choice of consideration, the type of consideration

chosen by the holders of a majority of the outstanding Shares), which may be subject to vesting and other terms as determined by the Committee in its discretion, or (ii) regardless of the consideration received by the holders of Shares in the Merger/Sale, solely shares (or their equivalent) of the Successor Corporation at a value to be determined by the Committee in its discretion, which may be subject to vesting and other terms as determined by the Committee in its discretion. The foregoing shall not limit the Committee's authority to determine, in its sole discretion that in lieu of such assumption or substitution of awards of the Successor Corporation for Awards, any other type of asset or property will be substituted for an Award, including under Section 14.2.2 hereunder.</P>
