

Orientation and Handbook Agreement Form

I hope that both parents and students will find this handbook informative and useful as we begin another exciting year at South Hills. Please read the *entire* handbook and return this page signed by both parent and student. We suggest you keep this handbook in a spot where you can easily locate it for quick reference throughout the year. There will always be a copy of the handbook under the Documents section of our website.

IMPORTANT – 2020 took activities like band and color guard away from us. As we come back to school, please know that every single member of our organization plays an equal role in our success. Unlike sports, we do not have second or third string players. We are ALL starters on this team! For this reason, when you commit to this program, we need you to understand we are counting on you to follow the rules and guidelines outlined in this handbook. Please remember, you will get what you put into this group!

WE HAVE READ, UNDERSTAND, AND WILL ABIDE BY THE RESPONSIBILITIES, OBLIGATIONS, AND POLICIES OF THE SOUTH HILLS HS BAND AND COLOR GUARD AS STATED IN THIS HANDBOOK.
