INDEMNIFICATION

To the fullest extent permitted by law, Seller shall defend, indemnify and hold CPP and its owners, agents, employees, representatives, and affiliated entities (collectively, the Indemnitees) harmless from and against any and all claims, liabilities, losses, actions, causes of action, damages, costs, expenses, including attorneys' fees, expert costs, and investigation costs, awards, fines, penalties, orders and/or judgments or other sums or relief arising out of or relating to death of or bodily injury to persons, injury or damage to tangible property, and/or other losses, damages or expenses, including economic losses arising out of or related to the Product, including but not limited to all preparation, sale and quality of the Product (Indemnified Matters), regardless of whether the Indemnified Matters are caused in part by Indemnitees. However, Seller shall not be obligated to indemnify the Indemnitees with respect to damages which are ultimately determined to be caused by the sole negligence or willful misconduct of the Indemnitees. The insurance procured and maintained by Seller shall insure the performance of Seller's indemnification obligations as set forth above, but these insurance provisions shall not be construed to in any way limit Seller's Indemnification obligations to the Indemnitees, nor shall Seller's indemnification obligations be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Seller. The indemnity provided herein is intended to and will survive the expiration or termination of this CPP Master Buyer Agreement and CPP PO until any claim or action with respect to any of the Indemnified Matters is barred by the applicable statute of limitations.

ARBITRATION

Any controversy or claim arising out of or relating to the CPP Master Buyer Agreement and/or CPP PO(s), or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.

Claims shall be heard by a single arbitrator. The place of arbitration shall be Denver, Colorado. The arbitration shall be governed by the laws of the State of Colorado and pursuant to the Federal Arbitration Act. Time is of the essence for any arbitration under the CPP Master Buyer Agreement and/or CPP PO(s), and arbitration hearings shall take place within 90 days of filing and awards rendered no more than 30 days after the hearing. Arbitrator shall agree to these limits prior to accepting appointment. The arbitrator shall award to the prevailing party, if any, as determined by the arbitrator, all of their costs and fees which shall include the arbitrator's fees, administrative fees, travel expenses, out-of-pocket expenses such as copying and telephone, court costs, witness fees, and attorneys' fees. The Parties agree that failure or refusal of a party to pay its required share of the deposits for arbitrator compensation or administrative charges shall constitute a waiver by that party to present evidence or cross-examine witness. In such event, the other party shall be required to present evidence and legal argument as the arbitrator may require for the making of an award. Such waiver shall not allow for a default judgment against the non-paying party in the absence of evidence presented as provided for above. The application of the United Nations Convention on Contracts for the International Sale of Goods is expressly excluded.

AMENDMENT

The Agreements may be amended or supplemented only in a writing executed by authorized representatives of CPP and Seller.
