

**GFWC Helena Woman's Club, Inc.
Scholarship Application - Primary focus on Foster Students**

EIN 30-0573030

GFWC of Helena is offering a \$1000 scholarship to a foster student graduating high school in 2021 with plans to further his/her education at a Montana vocational program, community college, college or university. The student applying should be committed to educational goals and the provision of community service. For consideration for a scholarship, complete this application and submit it along with your resume, official transcript, and three letters of recommendation-no more than two letters from your high school principal, faculty member, and/or activity sponsor. These letters should include the activities in which you are involved. Application deadline is March 15, 2021.

Individuals receiving a scholarship will need to present additional documentation from the educational institution they attend. Documentation must include a copy of acceptance letter, class registration and schedule, and receipt of funds for tuition and books. During the academic year, the club will request a grade report from the student as part of receiving the scholarship.
