

AAA PROMise

Difficulty Level: **Medium**

Implementation Timeframe:

January 2019 – May 2019

Overview:

AAA PROMise is designed to cater to the unique needs of parents, high school officials, and law enforcement concerned with the safety of young drivers during their junior and senior years of high school.

Purpose:

AAA PROMise encourages young drivers and their parents to talk about the dangers of underage drinking, drug use and impaired driving, especially during prom and graduation season when many teen-related crashes occur.

Implementation of the AAA PROMise:

1. Beginning in January 2019: Order your **FREE** kit from the AAA PROMise website: www.aapromise.com
2. Use the pledge board (provided in the free kit) to get as many student signatures from your school or community group to drive safely and responsibly.
3. Encourage students to take the pledge magnets home (provided in the free kit) and use them to talk to their parents about the dangers of impaired driving.
