GSP does not offer phone consultations. We require that all research requests be in writing. This is a word document you can save and email or post back to us.

Check out our Resource Suggestions page: <https://genpa.org/resource-suggestions/>

The Pennsylvania Resource page has documents that may answer many of your questions. Where to find birth, marriage and death records in Pennsylvania and specific counties. We do want to state that we do not possess any vital records or records usually collected and maintained by the public sector. It is also important to let us know if you have already searched the GSP website.
