BURSARY APPLICATION LETTER

Dear Sir/Madam,

I hereby apply for Electrical Engineering bursary for 2013. I am currently doing my second year in Electrical Engineering at the Cape Peninsula University of Technology.

I am a hard working student and my results do meet your minimum requirements for bursaries you offer. I need financial assistance in the form of a bursary to complete my third year which will be in 2013. I have realised that I might struggle to pay for my tuition fees and accommodation unless I receive financial aid.

I have attached a complete bursary application form which provides all information you require to consider my bursary request. Please feel free to contact me if you need more information regarding my application.

Your's faithfully,

Mr Sicelo Majozil
