

# JOIN THE 6TH AVE BUSINESS DISTRICT

Being a member of the 6th Ave Business District will give you a direct voice in shaping the area you have chosen to do business in. Neighborhood associations greatly improve the two-way communication between the city and its business owners. You will have a clear, organized way to speak to city government with a guarantee that you will be heard, and have an advocate on your side. Moreover, you will be put in touch with your fellow business owners, people who share your fondness for and frustrations with the area. The 6th Ave Business District and its members affect real change for our district including neighborhood improvements, urban design issues, help in dealing with crime and other disturbances. The district also promotes its members, hosts community events like Art on the Ave as well as much more.

Your membership helps create lasting improvement and further our common goals. Meetings are the second Tuesday of every month at 9:30am. Working together we can help 6th Ave to continue to flourish. **Please join us today!**

The 6th Avenue Business District runs between Alder Street and State Street
