Conducting online classes

Dear Students,

As we know we are facing this covid19 pandemic. But please focus on your studies properly and give all tests sincerely. Because this is only for now we are conducting exams online. Once the situation becomes normal, your schooling will start again. You are not studying only to give exams or score well but to make your future bright. This is IX standard so take it seriously. Because next year when you will be in X class, you will have to face problem if your basic concepts are weak. So, study to make your concepts strong and evaluate yourself what you have learnt what not. And we are also conducting these exams to evaluate your learning so don't cheat with yourself. Study hard for your future. I hope you all get my point of writing this.

All the best.
