

Dear Students,

As per CBSE circular, it is compulsory for all students to prepare art integrated projects, as its marks will be included as internal assessment of each subject in final term.

Art integrated Project

Class 6th

Subject- Science and Mathematics

Make a project highlighting the preparation, health benefits and nutritional contents (in grams) of the given food item of Sikkim. Convert the data of any five nutrients into percentage.(Make a pictogram if possible)

Thukpa - VI Lotus

Kodo ki Roti - VI

Rose Kinema - VI

Sunflower

Also make a collage of all the ingredients present in the food item.

Subject- Social Science and English

Make a creative project file highlighting the topic of Sikkim Food & Festivals and Tourism.

Subject-Hindi

संस्कृत म म न ए ज न व ल म ख य ह र न म
संस्कृत ह त लिखत। (Do this on A3 Size Sheet)

NOTE:-Compile all projects in one file and submit at school reception before 8th January 2021.

Thanks
