

SELF: Supporting Early Learning for Families

For parents of children up to the age of 5 who are in need of help to work on challenges
with their social communication and play development

100 % of SELF Parent Participants
would recommend the program to
other parents

" This is such an effective way to make gains" " It really was invaluable "

" You and your child will be working with two experienced professionals at the same time!

" An amazing opportunity to gain greater understanding of your child and to learn the best strategies to help them progress.

SELF is sponsored by the Kai Botsis Charitable foundation and as such the costs can be partially or fully covered by sponsorship so this is suited to families who have challenges paying for private therapies.
