GALLERY NEWS

The Olive Hyde Art Gallery would like to congratulate Sana Chiang in her recent promotion to Gallery Curator. Sana started as a Gallery Attendant in 2015, and, showing great interest, dedication, and hard work, she soon was promoted to Gallery Coordinator. Sana recently received her B.A. in 2019 in Multimedia and in Art History from California State University, East Bay. She also possesses an A.A. in Human Development Studies and in Art from Ohlone College. Through the years, Sana has brought her natural creativity to her exhibit installations, postcard designs, and maintenance of our gallery webpage. In her new role, Sana is excited to share her vision to create diverse art exhibits for our community, and looks forward to working with the Olive Hyde Art Guild. Please share with me in congratulating Sana Chiang on her new position of Gallery Curator of the Olive Hyde

OHAG visit to Erikson Arts

Guild members truly enjoyed listening to Gigi Erickson, of Erikson Arts, share her knowledge and experience in the art of blown glass. She created a

white cherry (a Rainier cherry), glass flowers and a beautiful yellow/orange pumpkin right before our eyes. Karen Tobin quickly claimed the pumpkin and returned the following day to get it. Gigi never hesitated, moving easily and constantly using multiple tools, watching and monitoring the temperature of the molten glass, rolling it to the desire size, blowing and shaping it. It truly was magical. We couldn't leave without purchasing some of her work and then some of the group went to Niles for lunch after the program.

President's Message I just returned from the October Board Meeting and am hurrying to write this before PG&E turns off power. At least that is what's dominating the news and peoples' minds. Hopefully, it won't happen, the winds won't come, and the potential fires won't happen. But, just in case, let me be brief.

The Board, in coordination with the City, is looking to make some changes to next year's (2020) Artists' Receptions. We've been considering having some receptions on a Saturday afternoon. A few reasons for this are (1) to avoid Friday night traffic; (2) encourage families to attend, possibly offering children's crafts; (3) expand our audience; and (4) make it easier for those who don't like driving at night to attend. The schedule for 2020 is in the works and two of the receptions will be on Saturday afternoons, so stay tuned.

At the invitation of **Gloria Kim** and **Irene Jordahl**, I attended the City of Fremont Recreation Commission meeting earlier this month. The meeting was held in the Gallery, a first, I think. The focus of the meeting was on the Gallery and its history, including the life of Olive Hyde. Irene and Gloria did a wonderful job of presenting the history and the impact the Guild has had on the Gallery over the years. I think everyone left the meeting with a new (or renewed) perspective of how fortunate we are to have this "hidden treasure" in our community.

The Serra Art Program reception last month at the Dominican Sisters was a lot of fun and a huge success, not only because **Judy Anglin** and I were honored guests, but because every piece of the students' art work sold on the Silent Auction with multiple offers on each! And the students were excited to see their art work framed, displayed, and the best part – they received the auction money! All-in-all, a very good evening with many Guild Members in attendance.

The Holiday Show & Sale is just around the corner (I know Halloween hasn't happened yet but time flies) with our triumphant trio of **Judy Anglin, Nancy Ruskin, and Joan Bobrink** making sure every last detail is attended to. Remember to sign up to work a shift or two and watch for your Gala tickets in the mail.

So much for being brief! Take care, and be safe.

Gail Blalock, OHAG President
