## The Spirit of Gratitude

Dear Friend,

We've been busy these past few weeks with much to be thankful for.

The 8th annual [Ghost Ball](#) was such a huge hit - you broke records this year for attendance and funds raised - \$96,000 after expenses! It was a fun night for a great cause - truly A Party with a Purpose! Your support and commitment to children in our community is very much appreciated.

If you missed the event (or just want to be reminded of what that purpose is) please take a moment to watch this video that beautifully shows the impact your support has for children with special needs in our community.

Thank you to the families who shared and [Cavalier - A Film Company](#).

## November Grants 2019

Our November grant award letters have gone out. Because of your support and the extraordinary success of the Ghost Ball, we awarded **\$41,149.00** for 58 grant applications. This brings the total for 2019 to **\$94,509.00** for 121 grants. Funds awarded will be used to cover out-of-pocket costs for therapy visits, co-pays, deductibles and home therapy equipment for children with special needs in our community. Thank you for helping these children and families. Please spread the word about why you support this very important work.

From all of us at Elevations, we hope you have a gratitude filled Thanksgiving holiday.
