# GEOCHALLENGE INSTRUCTIONS

- First, create an account on [geocaching.com](http://geocaching.com) to access details and coordinates for all 100 Harris County Precinct 4 geocache locations. Participants are encouraged to visit as many geocaches as possible.
- Using your GPS-enabled smartphone or GPS unit, navigate to the coordinates for each geocache and find the container. Open it, write your login name and the date in the log book, and return the sealed container to its hiding place.
- Participants can verify that they have found a geocache by 1) writing the unique code from the geocache on their passport, which can be downloaded at [www.hcp4.net/community/parks/geochallenge](http://www.hcp4.net/community/parks/geochallenge) or 2) presenting a unique bottle cap gathered from each of the geocaches.
- A bronze pathtag is awarded to those who find at least 25 geocaches; a silver pathtag is given for locating at least 50 geocaches; and a gold pathtag is the prize for logging 75 geocache locations. Those who find all 100 geocaches can earn a collectible Precinct 4 geocoin.
- To claim a prize, either mail your completed passport or hand-deliver your passport and/or bottle caps to the Harris County Precinct 4 Parks Office, located within **Dennis Johnston Park at 709 Riley Fuzzel Road in Spring, TX 77373**.
- If mailing a passport to receive a prize(s), please make sure to enter all necessary contact information.
- Please limit one bottle cap per [geocaching.com](http://geocaching.com) account!
